Holiness and Society Ronen Shoval,2024-08-15 Exploring the subtle political philosophy within the Biblical narrative this book presents enduring insights that complement Ancient Greek philosophy for contemporary political distinctions uncovering overlooked socio political ideologies to provide a unique perspective alongside the classical philosophical tradition By adopting a sociological approach Ronen Shovel interprets the Bible as a reflection of perspectives and ideologies emphasizing the intricate dynamics between rulers and subjects balancing justice and power within societies A key focus is the examination of holiness as a distinct political category influencing institutions ethics justice and even the use of force This perspective challenges traditional religious scholarship merging sociology with the concept of holiness Holiness and Society enriches political philosophy religious studies and sociology broadening their boundaries and offering fresh perspectives serving as a bridge between antiquity and modernity providing valuable insights into contemporary political thought **New Outlook** ,1961 Perspectives on Ecocriticism Ingemar Haag,Karin Molander Danielsson,Marie Öhman,2019-05-08 This volume gathers together papers presented at the conference Ecocriticism in the Nordic Countries Yesterday Today Tomorrow held in V ster s Sweden in 2017 organized by the research group Ecocritical Forum at M lardalen University The conference which was an attempt to survey local ecocritical activities transcended Nordic boundaries engaging scholars from Europe and the United States This expansion from the local to the global mirrors the subject of the conference ecocriticism a cross disciplinary field of research in the intersection of environmental issues and cultural expressions The chapters here engage with topical issues such as the Anthropocene sustainability in education and civilizational critique as well as schools of thought such as materialism dark ecology and animal studies The contributions discuss several types of cultural expressions including film and other visual media university course design and Nordic and English language novels and poetry This volume will attract the interest of readers from a number of different backgrounds both in the Nordic countries and internationally The Pentateuch Kenton L. Sparks,2002 With the proliferation of literature on virtually every area of biblical studies it has become increasingly difficult for students and nonspecialists to navigate their way through the sea of reading material The IBR Bibliographies provide ready assistance by identifying the most important works and providing brief annotations to help the reader make informed choices In The Pentateuch An Annotated Bibliography Old Testament scholar Kenton L Sparks provides expert guidance through more than seven hundred of the most significant books articles and essays on the Pentateuch His annotations describe the basic argument of the work and brief section introductions provide necessary orientation The result is more than just a list of books to read This carefully chosen and wisely annotated list provides an introduction to and a survey of scholarly study of the Pentateuch The

Pentateuch is the ninth volume published in the IBR Bibliographies series. Each volume in the series produced under the auspices of the Institute for Biblical Research annotates five hundred or more of the best resources on a major division of the canon or a major area of methodology. Volumes focus primarily on works available in English and provide students with invaluable guidance in their biblical studies research.

The New Outlook for the Blind, 1925 [The American Outlook](#) ... ,1919 **The Publishers' Trade List Annual**, 1975 [The Solomon Goldman Lectures](#), 1982 **How to Read the Jewish Bible** Marc Zvi Brettler, 2007

In his new book Bible scholar and teacher Marc Brettler argues that today's contemporary readers can only understand the ancient Hebrew Scripture by knowing more about the culture that produced it. And so Brettler unpacks the literary conventions, ideological assumptions, and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature. Although the emphasis of *How to Read the Jewish Bible* is on showing contemporary Jews as well as Christians how they can relate to the Bible in a more meaningful way, readers at any level of religious faith can benefit greatly from this comprehensive but remarkably clear guide to interpreting the Jewish Bible.
