Caruso, 2012-03-11 *When the Sisters Said Farewell* tells an important story of the contributions of Catholic elementary schools to the United States by chronicling the experiences and insights of religious women nuns who were the last members of their communities to serve in parish elementary schools and of those lay men and women who were the first to serve in those roles traditionally filled by the sisters The dramatic numerical transition from the preponderance of religious women to lay leadership from the 1960s to the 1980s has been documented this book describes the how and why sisters left Catholic schools This narrative also provides instructive insights about leadership transitions and current trends in religious life and Catholic education As all educators in Catholic private and public schools grapple with questions of delivering an excellent education this book offers a glimpse into the workings of one of the most amazing educational enterprises in the history of the United States Listen to a Sirius Radio interview with Fr Michael P Carus here *To Bind Up the Wounds* Mary Denis

Maher, 1999-11-01 The contributions of more than six hundred Catholic nuns to the care of Confederate and Union sick and wounded made a critical impact upon nineteenth century America Not only did thousands of soldiers directly benefit from the religious sisters ministrations but both professional nursing and Catholics acceptance within mainstream society advanced significantly as a result In *To Bind Up the Wounds* Sister Mary Denis Maher writes this heretofore neglected Civil War chapter in rich detail telling a riveting story shot with suspicion and prejudice suffering and self sacrifice ingenuity beneficence and gratitude **Women Playing Men** Jin Jiang, 2011-07-01 This ground breaking volume documents women's

influence on popular culture in twentieth century China by examining Yue opera A subgenre of Chinese opera it migrated

from the countryside to urban Shanghai and morphed from its traditional all male form into an all female one with women cross dressing as male characters for a largely female audience Yue opera originated in the Zhejiang countryside as a form of story singing which rural immigrants brought with them to the metropolis of Shanghai There in the 1930s its content and style transformed from rural to urban and its cast changed gender By evolving in response to sociopolitical and commercial conditions and actress initiated reforms Yue opera emerged as Shanghai s most popular opera from the 1930s through the 1980s and illustrates the historical rise of women in Chinese public culture Jiang examines the origins of the genre in the context of the local operas that preceded it and situates its development amid the political cultural and social movements that swept both Shanghai and China in the twentieth century She details the contributions of opera stars and related professionals and examines the relationships among actresses patrons and fans As Yue opera actresses initiated reforms to purge their theater of bawdy eroticism in favor of the modern love drama they elevated their social image captured the public imagination and sought independence from the patriarchal opera system by establishing their own companies Throughout the story of Yue opera Jiang looks at Chinese women s struggle to control their lives careers and public images and to claim ownership of their history and artistic representations

Sadliers' Catholic Directory, Almanac and Ordo, 1881 With a full report of the various dioceses in the United States and British North America and a list of archbishops bishops and priests in Ireland **Bulletin** Catholic Educational Association, 1920 Nov issue includes Proceedings of the annual meeting **Brotherhood of Locomotive Firemen and Enginemen's Magazine**, 1929 *Brotherhood of Locomotive Engineer's Monthly Journal*, 1903 *Report* Commonwealth Shipping Committee, 1909 [Myths of the Modocs](#) Jeremiah Curtin, The majority of Americans know who the Modocs are and where they live for on a time their bravery and so called treachery gave them widespread notoriety but for those who do not know the following sketch may be helpful The Old Modoc Country was the valley of Lost River in Oregon and the country adjacent to the shores of Little Klamath Lake and Tula Lake which in main lies within the boundary of California The country around Tula Lake is of volcanic formation and at the southern end of the lake are the lava beds about which so much was written during the Modoc War of 1872 1873 Along the rivers and lakes the scenery is pleasing and in places grand Lake Klamath nearly surrounded by mountains is as beautiful as are the famed lakes of Italy and Switzerland Mount Pitt which from a distance seems to rise from the very shore of the lake is snow crowned except for a few weeks in midsummer Mount Shasta is seen from its summit to the snow line The Modoc people believe that Kumush created the world the world in Modoc myth means the country inhabited by the Modocs and the tribes they come in contact with He made the mountains lakes and rivers and gave them names We are not told about the creation of the first people those wonderful beings who inhabited the world before man was created and were so numerous that if a count could be made of all the stars in the sky all the feathers on birds all the hairs and fur on animals and all the hairs on our heads they would not be as numerous No man knows how long those first people lived but after countless ages a

time came when they were transformed into beasts reptiles birds fishes insects plants stones snow earthquake sun moon and stars in fact into every living thing object phenomenon and power outside of man This transformation took place about the time that Kumush created the Modoc and other Indian tribes and gave them names told them where their homes would be designated the Klamath country for the Modocs and established the present order of things For the Modocs the valley of Lost River and the lands around Klamath and Tula Lake are sacred We who endeavor to trace our origin back to a monkey or still farther to a bit of protoplasm or who believe in and search far and wide for the Garden of Eden cannot revere a country which is ours simply by chance of birth as the Indian reveres the country where his tribe originated We cannot estimate the love an Indian has for his country His holy places are not in far off Palestine they are before his eyes in his own birthplace where every river hill and mountain has a story connected with it an account of its origin No people could be more religious than were the Indians before the advent of the white man they had no observance rite or custom which they did not believe to be God given
