The Fan Society Dasha Wallace, 2022-10-22 *Cinderella with a twist*. Can a spy make the prince fall in love with her? Or will her hunt for her mother destroy her? Arabella's life takes a turn for the worst when her mother goes missing and is presumed dead. Misery follows her when her father remarries and dies soon after. This changes when she is sent to the Academy. Odd things keep happening, and she learns that not all is as it seems. When the school's true purpose is revealed, she finds out something about her past that will change her life forever. She learns that it is a school that trains spies to protect the royal line. When she graduates from the spy academy, she receives her first mission: marry the prince. But Arabella has another mission on her mind: one that goes against orders. Now balancing the tightrope of duty and family, the rope will soon snap beneath her weight. She will have to make her choice. The only question is which one will she choose.
