

Refresh Your Mindset on CHALLENGING BEHAVIOR

To refresh your mindset and prepare to support positive behavior in your students, read this mantra and take some time to think about each line.

This is someone's child.

This is a good person.

This student wants to be successful.

This student is communicating with their behavior.

I can figure out what this student needs.

I can set this student up for success.

I can choose to respond with care.

I can welcome this student into this space.

I can forgive past mistakes.

I can start fresh each day.
