Baseball's Great Expectations Patrick Montgomery, 2024-03-05 It s Montgomery s journalistic eye for distilling the humanity behind the unfulfilled athletic potential that makes this a real home run Booklist Starred Review A Booklist Top 10 Book on Sports 2024 Stories of baseball idols and heroes are oft repeated but what about those players who everyone thought would be the next great one and have since disappeared from the sport What happened after they failed to meet the weighty expectations placed on them In Baseball s Great Expectations Candid Stories of Ballplayers Who Didn t Live Up to the Hype Patrick Montgomery brings out from the shadows nine of those players who were once poised for greatness They include a player who received a then record breaking MLB Draft signing bonus a left handed pitcher who was ordained to be the next Sandy Koufax the only catcher to go straight from high school to the major leagues during the MLB Draft Era and more Drawing from his extensive interviews with the players family members general managers executives scouts and more Montgomery shines a fresh light on these players and provides a candid perspective on the major leagues Players reflect on their careers what went wrong how they feel about baseball now that their playing days are over and for many of them how

they have found new purpose in their lives Baseball s Great Expectations reveals an often overlooked side of professional baseball of the struggles with injury mental exhaustion pressure temptations and sometimes just being in the wrong place at the wrong time The path to baseball stardom is not as glamorous as it is sometimes made out to be and this book reveals just how difficult the journey truly is **Collier's** ,1918 **The Greatest Game** Richard Bradley,2008-03-18 In this spellbinding book Richard Bradley tells the story of what was surely the greatest major league game of our lifetime and perhaps in the history of professional baseball That game played at Fenway Park on the afternoon of October 4 1978 was the culmination of one of the most tense emotionally wrought seasons ever between baseball s two most bitter rivals the Boston Red Sox and the New York Yankees Both teams finished this tumultuous season with identical 99 64 records forcing a one game playoff With a one run lead and two outs with the tying run in scoring position in the bottom of the ninth the entire season came down to one at bat and to one swing of the bat It came down as both men eerily predicted to themselves the night before to the aging Red Sox legend Carl Yastrzemski and the Yankees free agent power reliever Rich Goose Gossage Anyone who calls himself a baseball fan knows the outcome of that confrontation And yet such are the literary powers of the author that we are pulled back in time to that late afternoon moment and become filled anew with all the taut sense of drama that sports has to offer as if we don t know what happened As if the thoughts swirling around in the heads of pitcher and hitter are still fresh both still hopeful of controlling events That climactic game occurred thirty seasons ago and yet it still captures our imagination In this delightful work of sports literature we watch the game unfold pitch by pitch inning by inning but Bradley is up to something more ambitious than just recounting this wonderful game He also tells us the stories of the participants how they got to that moment in their lives and careers what was at stake for them personally including the rivalries within the rivalry such as catcher Carlton Fisk versus catcher Thurman Munson and Billy Martin versus everyone Using a narrative that alternates points of view between the teams Bradley reacquaints us with a rich roster of characters Freddy Lynn Ron Guidry Catfish Hunter Mike Torrez Jerry Remy Lou Piniella George Scott and Reggie Jackson And of course Bucky Dent who craved just such a moment in the sun a validation he had vainly sought from the father he barely knew Not a book intended to celebrate a triumph or lament a loss The Greatest Game will be embraced in both Boston and New York with fans of both teams recalling again the talented young men they once gave their hearts to And fans everywhere will be reminded how utterly gripping a single baseball game can be and that the rewards of being a fan lie not in victory but in caring beyond reason even decades after the fact *Collier's Once a Week* ,1918 **The Long and the Short of It** Andy North,Burton Rocks,Chris Berman,2016-01-12 The drama the excitement and the suspense of professional golf are all captured in The Long and the Short of It Golfers of all ages will enjoy Andy North s unique perspective on golf Andy North is a two time United States Open champion current player on the Senior PGA Tour and a commentator for ESPN In this book Andy offers golfing fans a treasure chest of anecdotes and shares his insight and wisdom into the game of golf Andy first

talks about the pioneers of the game and shares memories of his time with the likes of Arnold Palmer Jack Nicklaus Tom Watson Gary Player and many others He shares the heartwarming story of his life growing up in Wisconsin and his rise to success on the PGA Tour He offers advice on how to better understand and play golf This book has both the drills and games you can play with your children to make golf fun and the games that you as an amateur golfer should play to improve your own game Finally Andy talks about the changes facing golf in the coming years and shares his experiences working with his friends at ESPN
