

A man in a dark suit and a fedora hat stands in profile, looking towards a large, glowing, golden, cylindrical device in the center of a futuristic, steampunk-style control room. The room is filled with brass pipes, dials, and circular portholes showing a starry sky. The lighting is warm and golden, emanating from the central device and several lamps. The overall atmosphere is one of mystery and advanced technology.

Work That Body Jamie Hakim, 2019-10-16 *Work That Body* Male Bodies in Digital Culture explores the recent rise in different types of men using digital media to sexualise their bodies. It argues that the male body has become a key site in contemporary culture where neoliberalism's hegemony has been both secured and contested since 2008. It does this by looking at four different case studies: the celebrity male nude leak, the rise of young men sharing images of their muscular bodies on social media, RuPaul's Drag Race body transformational tutorial, and the rise of chemsex. It finds that on the one hand digital media has enabled men to transform their bodies into tools of value creation in economic contexts where the historical means they have relied on to create value have diminished. On the other, it has also allowed them to use their bodies to form intimate collective bonds during a moment when competitive individualism continued to be the privileged mode of being in the world. It therefore offers a unique contribution not only to the field of digital cultural studies but also to the growing cultural studies literature attempting to map the historical contradictions of the austerity moment.

Semi-Famous Josh Sundquist, 2022-07-19 In this laugh out loud funny book Hank Green New York Times bestselling author social media star and comedian Josh Sundquist takes readers on his hilarious journey to the fringes of viral stardom to discover if it's possible to be both very famous and very happy. As a semi famous internet creator Josh Sundquist knows what it's like to chase fame but he also knows that more fame usually means more stress. So he set out on a pseudo scientific investigation to find out if there is any way for fame and happiness to overlap. He attempts to define the word fame, hint it's harder than you'd think. He turns back time to identify the first facially recognizable celebrity you might know his former BFF Brutus. He digs into the numbers to debunk urban legends associated with stardom ever heard of the 27 Club. He talks to other semi famous people from K pop sensations to former child stars and asks them Is this fame thing making you happy? If not why are you doing it? If so what's your secret. All while recounting funny stories about his own cringy fame seeking like his many attempts and failures to get onto MTV. Packed with playful diagrams fascinating insights from celebrities and embarrassing truths from Josh's experience with semi fame this is a must read for anyone who has ever dreamed of becoming famous or at least going viral on TikTok.

The Final Rapture Doc Marquis, 2017-10-03 The end is just the beginning. The rapture is one of the simplest concepts found in the Holy Bible yet there is a great amount of confusion and division concerning whether the next and final rapture will occur before the Tribulation, in the middle of the Tribulation, or after the Tribulation. Doc Marquis settles the question once and for all in *The Final Rapture*. Marquis dissects specific prophecies to show how close we truly are to the final rapture. He uses information from the Book of Revelation to alert those who are in danger of missing it, those who may still be on Earth during the Tribulation Period, to what they must live through if they are still here.

The Unplugged Hours Hannah Brencher, 2024-09-17 Join the Challenge: One Thousand Unplugged Hours in One Year. Former social media addict Hannah Brencher discovered first hand that turning off her phone had a substantial impact.

on her mental health relationships time management and outlook on the world Like so many of us Hannah had been turning to her phone to cope with life in a time of isolation and uncertainty But those coping mechanisms had become habits she didn't know how to break until she truly committed herself to one simple yet profound act log 1 000 phone free hours in a year Now in *The Unplugged Hours* she demonstrates how the act of powering down and reducing the habit of a constantly plugged in lifestyle can change your entire life No matter what you do for a living how much time your apps save you or how much entertainment your phone brings it is possible to unplug and rediscover the richness of life on the other side A powerful weaving of memoir cultural commentary and spiritual insights this life changing book will help you Reclaim your ability to be present and engaged with the world around you Swap the hurried constant pace of technology for a steadier more rooted way of living Establish your own unplugged rituals and rhythms in daily life *The Unplugged Hours* gives you the practical ideas and spiritual inspiration you need to stop scrolling and start living So join the challenge put your phone down and live your life

Superhero Smart Paul Volponi, 2023-07-12 A fascinating exploration of the science history literature and culture behind comic book superheroes powers and origins How does Superman's strength allow him to squeeze a chunk of coal into a diamond What's the connection between Wonder Woman's golden Lasso of Truth and a lie detector Why does the Black Panther speak so many different languages What does Natasha Romanova aka Black Widow teach us about the Cold War All this and more is explored in *Superhero Smart Real World Facts behind Comic Book Characters* written by award winning author Paul Volponi In a fast paced free flowing narrative Volponi reveals that there is

so much more to spandex clad superheroes than meets the eye To truly understand their origins and powers one must also understand science history literature and the incredible diversity of people and cultures around us The exploits and powers of almost every comic book superhero or villain have a basis in reality opening the door to learning about so many things from the past and present And in learning more about these heroes and our world we can help prepare for and create a better future just as superheroes strive to do every day in the pages of our comic books

Work-Life Bloom Dan Pontefract, 2023-10-24 GOLD MEDAL WINNER 2024 AXIOM BUSINESS BOOKS AWARD LEADERSHIP CATEGORY Work life balance isn't making anyone happy In fact our relentless attempts to achieve this goal have created workplaces full of stress discontent and burnout While this workplace disillusionment has been brewing for years the pandemic helped catalyze a cultural shift of workers redefining themselves beyond what they do for a living Now it's time for you to rethink your role as a leader in the nexus of work and life In *Work Life Bloom How to Nurture a Team That Flourishes* award winning author Dan Pontefract contends that a thriving workplace isn't about employee engagement levels nor is it predicated on your team members bringing their best selves to work Instead it requires you to support the people you manage so they can be their best in work and life Just as a flower needs the right mix of sunlight water and nutrients to grow your people need the right mix of work life factors to create a fulfilling and harmonious existence Pontefract introduces a new leadership paradigm focused on twelve key work life factors that determine whether your team members gardens are able to grow Drawing upon primary global research interviews and personal experiences Pontefract delivers a timely blueprint for leaders to cultivate work life ecosystems where individuals don't just survive they bloom
