The Long Roll:

The Long Roll Mary Johnston, 1911-01-01 On this wintry day cold and sunny the small town breathed hard in its excitement It might have climbed rapidly from a lower land so heightened now were its pulses so light and rare the air it drank so raised its mood so wide so very wide the opening prospect Old red brick houses old box planted gardens old high leafless trees out it looked from its place between the mountain ranges Its point of view its position in space had each its value whether a lesser value or a greater value than other points and positions only the Judge of all can determine The little town tried to see clearly and to act rightly If in this time so troubled so obscured by mounting clouds so tossed by winds of passion and of prejudice it felt the proudest assurance that it was doing both at least that self infatuation was shared all around the compass The town was the county seat Red brick and white pillars set on rising ground and encircled by trees the court house rose like a guidon planted there by English stock Around it gathered a great crowd breathlessly listening It listened to the reading of the Botetourt Resolutions offered by the President of the Supreme Court of Virginia and now delivered in a solemn and a ringing voice The season was December and the year 1860 **The Long Roll** Mary

The Long Roll. by Mary Johnston, N. C. Wyeth, 2016-08-12 Mary Johnston November 21 1870 May 9 1936 was an American novelist and women s rights advocate from Virginia She was one of America s best selling authors during her writing career and had three silent films adapted from her novels Before Gone with the Wind exploded into print Mary Johnston s The Long Roll was one of the definitive novels about the Civil War Unlike Mitchell s novel of Southern aristocracy however Johnston sets her tale among the fighting armies The Long Roll begins with secession and ends with the funeral of Stonewall Jackson Our protagonists are Richard Cleave of Virginia and General Jackson himself who begins the novel as a major Cleave s action in the Confederate artillery alternates with Jackson s cavalry maneuvers to show a wide range of battle experience and combat effectiveness Johnston peels away some of the historical romance of the cavalry and shows how vital artillery was in the battles No less significant she pays close attention to the importance of planning and patience and the role of roads rail horse and boat mixing all of these elements with descriptions of raw courage and reckless abandon As the narrative follows Cleave and Jackson we are led through the most decisive engagements in the years of Confederate supremacy Manassas The Seven Days Fredericksburg Malvern Hill and Sharpsburg The Long Roll brings alive the differing motives for secession and war and eerily evokes the suspicion and battered consciences of both North and South
