Tabloid Bible:

The Tabloid Bible Nick Page, 1999-01-01 The Tabloid Bible is a fresh and funny take on biblical literacy Humorist Nick Page who happens to take the Bible very seriously captures perfectly the deadpan style of popular sensational tabloids found in supermarket checkout lanes everywhere in his retelling of major biblical events from Genesis to Revelation *The Bible and Empire* R. S. Sugirtharajah, 2005-06-16 At a time of renewed interest in Empire this stimulating volume explores the complex relationship between the Bible and the colonial enterprise and examines some overlooked aspects of this relationship These include unconventional retellings of the gospel story of Jesus by Thomas Jefferson and Raja Rammohun Roy the fate of biblical texts when marshalled by Victorian preachers to strengthen British imperial intentions after the India uprising of 1857 the cultural political use of the Christian Old Testament first by the invaders to attack temple practices and rituals then by the invaded to endorse the temple heritage scorned by missionaries the dissident hermeneutics of James Long and William Colenso confronting and compromising with colonial ambitions and finally the subtly seditious deployment of biblical citations in two colonial novels This innovative book offers both practical and theoretical insights and provides compelling evidence of the continuing importance of postcolonial discourse for biblical studies **Life**, 1926 Editor & Publisher, 1924 The fourth estate *A Short Introduction to Hermeneutics* David Jasper, 2004-01-01 Hermeneutics defines the rules used to search out the meaning of Scripture This book assesses major Biblical interpreters approaches to hermeneutics from the patristic period to the present day The Door, 1999 The Missionary Review, 1910 **The Bible Book** Nick Page, 2019-03-07 **Life**, 1929-07 **The Mixer and Server**, 1925 **Troublesome Texts** Rasiah S. Sugirtharajah, 2008 The nine substantial essays in this volume deal with three wide ranging though interconnected issues the perceived status and standing of the Bible today aspects of the current state of biblical studies especially the uneasy tension between the increasingly esoteric agenda of mainstream scholarship and the hermeneutical concerns of those occupied with marginal readings the significance of postcolonial scholarship and pointers for its future at a time when empire has once again become a reality and a global subject of debate Among the essays here are an examination of Victorian reconstructions of the life of Jesus and of the Buddha and how these discourses were moulded and motivated by orientalism colonialism race and issues of British national identity the complexities of the use of the Bible in Sri Lanka war torn and beset with communal strife when the Bible itself is rife with vengeance and punishment the political and hermeneutical ramifications of the Asian tsunami and the use of natural disasters for decolonization and recolonization imperial intentions and a postcolonial sub text evident in the Johannine letters the fortunes of the English Bible as its promoters struggle to uphold its credibility in a market driven culture suicide bombing and asylum seeking All of these are issues of global significance and concern but they are hardly ever addressed by biblical scholars The essays contain both theoretical discussion and practical questions as to the usefulness of the Bible at a time when its contested role has been complicated by its tainted association with oppressive
