**Treasure in Heaven** Virgil Vogt,2007-02-01 Where is your treasure The scriptural teaching about money is clear radical and uncompromising and at odds with the practice of most people This presents an uncomfortable question do we change our lives in accordance with Scripture or do we change Scripture to fit our lives Virgil Vogt argues that we undermine Scripture s authority when we disregard its teaching about wealth or when we conclude that such teaching cannot be applied in a complex modern economy The Bible Vogt says is still the best guide to economic life Scripture teaches a consistent word about our possessions we are to use the things we have to gain eternal riches This teaching coupled with the principle of stewardship should govern our economic lives But it takes courage along with genuine faith and a single minded determination to live according to the Bible s standard in this area Treasure in Heaven offers a challenge for all Christians who want to bring their finances into line with God s Word

[Life-study of Genesis](#) Witness Lee,2026-01-21 Life study of Genesis presents the book of Genesis in a completely new light Strictly speaking Genesis is neither a book of creation nor a book of biographies It is a book of life God uses the record of creation to show the matter of life God uses the biographies of eight persons to show how He needs a life to fulfill His purpose The entire Bible is God s revelation Most of the seeds of the divine revelation were sown in Genesis These seeds grow in the following books of the Bible especially in the New Testament reaching maturity and producing a harvest in the book of Revelation Virtually all the items of the divine revelation sown in Genesis are reaped as a great harvest in the book of Revelation In this book Witness Lee develops each of these seeds of the divine truth
