Is Christ Allah, the God of Mohammed? Dr. Ngozi Funmi Okeke, 2017-07-21 Bedford 2045 Reasoning and vision are unbounded. If Christ is infinite he must be who he says he is. About 8.5 million adults, 24.1 percent of the population, have such basic levels of numeracy that they can manage only one-step tasks in arithmetic, sorting numbers or reading graphs. This is worse than the average in the developed world where an average of 19 percent of people were found to have a similarly poor skill base. Shepherds know sheep are morons; sheep don't know shepherds are morons too. The best opportunity of developing academically and emotionally. Judge Paulo Hayers approved a fool's approval. He approved what a closeted racist plebeian mummy would speak. He rides a tiger. Dismounted, what his brain yields only mediocrity, his land yields only food. Functional semi-illiterate judges are more likely to be racists. Sir, he was dull in company, dull in his closet, dull everywhere. He was dull in a new way and that made many people think him great. He is the ultrarighteous descendant of thieves, the stealer, carrier and seller of millions of Africans, including millions of kidnapped children and Habakkuk. In Bedford, Professor Richard Boris Hill fabricated reports and unrelentingly lied under oath. It is a criminally dishonest, mediocre and nakedly racist legal system.
