Goodwin, 2017-10-03 In the late 1980s a handful of artists priced out of Manhattan and desperately needing affordable studio space discovered 111 1st Street a former P Lorillard Tobacco Company warehouse Over the next two decades an eclectic collection of painters sculptors musicians photographers filmmakers and writers dreamt and toiled within the building s labyrinthine halls The local arts scene flourished igniting hope that Jersey City would emerge as the next grassroots center of the art world However a rising real estate market coupled with a provincial political establishment threatened the community at 111 1st Street The artists found themselves entangled in a long complicated and vicious fight for their place in the building and for the physical survival of 111 1st Street itself a site that held so much potential so much promise for Jersey City Left Bank of the Hudson offers a window into the demographic political and socio economic changes experienced by Jersey City during the last thirty years Documenting the narrative of 111 1st Street as an act of cultural preservation author David J Goodwin s well researched and significant contribution addresses the question of the role of artists in economically improving cities As a Jersey City resident Goodwin applies his knowledge of the city s rich history of political malfeasance and corruption including how auspicious plans for a waterfront arts enclave were repeatedly bungled by a provincial minded city administration In writing this story Goodwin interviewed thirteen artists and residents two businesses three government officials and five non profits civic organizations and community activists The book chronologically explores the history and business of the P Lorillard Tobacco Company its evolution into a bustling arts community the battle to preserve the warehouse as a historic structure and the lessons to be drawn from the loss and ultimate demolition of the building in 2007 as well as the present state of the neighborhood Setting the facts straight for future generations Left Bank of the Hudson provides an illustrative lesson to government officials scholars students activists and everyday citizens attempting to navigate the rediscovery of American cities Jet, 1998-10-05 The weekly source of African American political and entertainment news **The Herd Book of Large White Ulster Pigs** Royal Ulster Agricultural Society, 1916 Jet, 1984-03-12 The weekly source of African American political and entertainment news History of Art Horst Woldemar Janson, Anthony F.
