Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus

Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

Ukraine and Ukrainians Throughout the World Ann Lencyk Pawliczko, 1994 A surprising number of the world's 58 million Ukrainians have settled in Europe North and South America Australia Oceania Asia Africa and the Middle East This reference offers a survey of this widespread population It is both a demographic handbook that provides up to date statistical data and an ethnographic study of a people struggling to preserve their identity despite decades of denationalization policies in the homeland and the forces of assimilation abroad Canadian call number C94 930353 4 Paper edition unseen 35 Annotation copyright by Book News Inc Portland OR
