wealth or electronic fraud by rigging an online survey or outing Trump s Neanderthal views towards women or his hush money payments to clandestine lovers Cohen pulls no punches He shows Trump s relentless willingness to lie exaggerate mislead or manipulate Trump emerges as a man without a soul a man who courts evangelicals and then trashes them panders to the common man but then rips off small business owners a con man who will do or say absolutely anything to win regardless of the cost to his family his associates or his country At the heart of Disloyal we see how Cohen came under the spell of his charismatic Boss and as a result lost all sense of his moral compass The real real Donald Trump who permeates these pages the racist sexist homophobic lying cheating President will be discussed written about and analyzed for years to come **Ulrich's Periodicals Directory 2003** Edgar H.
