Momentum Planner Sophia Carlson, AI, 2025-03-04 Momentum Planner presents a novel approach to time management focusing on building sustained motivation and consistent action rather than just scheduling events. Or that regular reviews and adjustments can significantly improve alignment with long term objectives. The book guides readers through creating a personalized momentum building calendar. Chapters explore goal setting methodologies like SMART goals and OKRs habit formation techniques and progress tracking strategies. By integrating these elements the book aims to create a cohesive planning system that aligns with individual needs and aspirations. What sets this book apart is its focus on building momentum moving beyond simple scheduling to create a dynamic system that adapts to evolving needs and keeps users motivated.
