

The book cover features a central collage of black and white photographs of various musicians. At the top left, there's a portrait of a woman. Below it, a man in a striped shirt plays a guitar. In the center, a large portrait of Elvis Presley is prominent. To his right, a man with glasses is shown. Further right, a woman with blonde hair is depicted in profile. At the bottom, a group of four young men, likely The Beatles, are shown. The title is printed in large, bold, gold-outlined letters over a dark background with purple and blue wavy patterns.

Ultimate Musicians Reference Handbook:

The Ultimate Musician's Reference Handbook Brent E. Kick, 1996 This complete handbook includes listings on all the musicians that have been part of the rock and roll phenomenon. Entries for each artist include date and place of birth and death, instruments played, band and session work, movie appearances, Grammy awards or nominations, in print albums and more. All information is cross indexed to make the book easy to use.

The Popular Music Teaching Handbook B. Lee Cooper, Rebecca A. Condon, 2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume. Increasingly, public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms. This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers. It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields: art, geography, social studies, urban studies, and so on, as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles. Building on two recent publications, *Teaching with Popular Music Resources: A Bibliography of Interdisciplinary Instructional Approaches* (Popular Music and Society XXII no 2, Summer 1998) and *American Culture Interpreted through Popular Music: Interdisciplinary Teaching Approaches* (Bowling Green State University Popular Press, 2000), this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields: art, geography, social studies, urban studies, and so on, as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles.

Rock Music in American Popular Culture III Frank Hoffmann, B Lee Cooper, Wayne S Haney, 2014-02-04 *Rock Music in American Popular Culture III: More Rock n Roll Resources* explores the fascinating world of rock music and examines how this medium functions as an expression of cultural and social identity. This nostalgic guide explores the meanings and messages behind some of the most popular rock n roll songs that captured the American spirit, mirrored society, and reflected events in our history. Arranged by themes, *Rock Music in American Popular Culture III* examines a variety of social and cultural topics with related songs such as sex and censorship (Only the Good Die Young by Billy Joel and Night Moves by Bob Seger) and holiday songs (Rockin' Around the Christmas Tree by Brenda Lee and The Christmas Song by Nat King Cole), death (Leader of the Pack by The Shangri Las and The Unknown Soldier by The Doors), foolish behavior (When a Man Loves a Woman by Percy Sledge and What Kind of Fool by Barbra Streisand), and Barry Gibb's jobs and the workplace (Don't Stand So Close to Me by The Police and Dirty Laundry by Don Henley), military involvements (Boogie Woogie Bugle Boy by the Andrews Sisters and War by Edwin Starr), novelty recordings (The Purple People Eater by Sheb Wooley and Eat It by Weird Al Yankovic), letters and postal images (P S I Love You by The Beatles and Return to Sender by Elvis Presely). In addition, a discography and a bibliography after each section give further examples of the themes and resources being discussed, as do extensive lists of print references at the end.
