Wishing Upon the Same Stars Jacquetta Nammar Feldman, 2022-02-01 This powerful and poignant coming-of-age middle grade debut novel follows an Arab American girl named Yasmeen as she moves to San Antonio with her family and navigates finding friendship and herself. Perfect for fans of *Other Words for Home*, *Front Desk*, and *American Pie*. When twelve-year-old Yasmeen Khoury moves with her family to San Antonio, all she wants to do is fit in. But her classmates in Texas are nothing like her friends in the predominantly Arab neighborhood back in Detroit where she grew up. Almost immediately, Yasmeen feels like the odd girl out, and as she faces middle school mean girls and tries to make new friends, she feels more alone than ever before. Then Yasmeen meets her neighbor Ayelet Cohen, a first-generation Israeli American. As the two girls grow closer, Yasmeen is grateful to know someone who understands what it feels like when your parents' idea of home is half a world away. But when Yasmeen's grandmother moves in after her home in Jerusalem is destroyed, Yasmeen and Ayelet must grapple with how much closer the events of the Israeli-Palestinian conflict are than they'd realized. As Yasmeen begins to develop her own understandings of home, heritage, and most importantly, herself, can the two girls learn there's more that brings them together than might tear them apart, and that peace begins with them? The Next Widow CJ Lyons, 2020-07-28 In the distance, Leah heard sirens. She ignored them. Right now, her daughter needed her, and Emily was just out of reach, curled up under the bed, her eyes closed, desperately shaking. Leah did the only thing any mother would do: She crawled through the blood to get to her daughter. When Detective Luka Jericho is called to a family home in rural Pennsylvania, he's shocked to find six-year-old Emily Wright is the only witness to her father's murder. Her mother, Dr. Leah Wright, returned home from work to find Emily huddled under the bed behind the body, and Luka is desperate to find out what Emily witnessed. He knows that the killer could still be out there, waiting to strike again. But Leah is hesitant to ask Emily to relive what she saw. She knows that Emily could be haunted by those memories forever. Until the same red roses Leah was sent on the night of her husband's murder are found in Emily's hospital room, and the family is attacked again, Luka must race against time to unravel Leah's family secrets as he battles painful reminders of his own fiancée's death. But he has no idea just how close the killer is. Will he be able to keep Leah and her daughter safe?
