

EVERYTHING

Everything means **all things**.

When everything is a subject, we use it with a singular verb.

Everything is packed, and we are ready to leave.

SOMETHING

Something means **a thing that is not exactly known or stated**.

We don't usually use something in negatives and questions

I need to talk to you about something.

ANYTHING

We use anything instead of something in negatives and questions.

*I don't know anything about this.
Did you notice anything strange?*

NOTHING

Nothing means **not anything or no single thing**. We don't use a negative verb in a clause with nothing.

*There was nothing in the drawer.
I turned the key but nothing happened.*

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
