

## THE CHILDREN OF HERACLES

*Scene: A temple of Zeus at Marathon, on the north-east coast of Attica, the front of the temple, entrance, on which old Pelops and the young sons of Heracles have taken refuge as suppliants.*

PELOPUS

Since long ago I've been a victim of affliction  
as Heracles once visited the island around here,  
while the sea winds round to invade his camp,  
to exile to this city and I long must be dealt with,  
good only to himself.

There I know from experience, not heathen

I myself could have lived quietly in Argos,

but there came war and family duty to me:

the sea men's ships shared with Heracles

120 in his many labours, while he was still with us.

And now that he dwells in Marathon, I long his children

have made my refuge and try to protect them —

though meeting prosecution myself.

For when their father left the earth behind,

Demeter's heaped at first the hill no ill:

but we engaged. In we have been our city

but kept our lives. In a warlike manner still,

leaving from one man's household to another's.

For, setting of our ships on water, Demeter's

130 now fit to suffer and her feet set on the

whenever he heard we'd settled ourselves somewhere,

he sent heralds to demand we be admitted

and delivered from the land 'till I paid out

that Argos was no small city, as I read of this,

and that he himself was prosperous and successful.

And they, looking at the heathens on my part

and at the children here, no small and without a father,

they ended up giving us quiet to the stranger guest —

no one among her householders there found.

140 For myself, 'tis a fellow with the orphic children,

a fellow mother with these orphans,

but now I refuse to betray them, lest people might say,

"I could have had the children's father's men allow,

I take their property and protect them,

even though he's a member of their family."

With me place of our men in all of Greece,

and he came to Marathon and the neighbouring lands,

## **The Children Of Heracles Classical Texts:**

**Euripides: the Children of Heracles** William Allan, 2001 This play is a powerful and challenging tragedy of exile and supplication Driven from Argos the children of Heracles flee as fugitives until they are granted asylum in Athens The amorality of the powerful and the vulnerability of refugees make this a drama of continuing relevance Greek text with facing translation introduction and commentary

**Harper's Dictionary of Classical Literature and Antiquities** Harry Thurston Peck, 1897 The purpose of these volumes is to give the student the essential facts concerning the study of life literature religion and the art of classical antiquity

**The Oxford Companion to Classical Literature** M.C. Howatson, 2013-08-22 This companion not only presents all the essential facts about the authors tales and characters from ancient literature and myth but places these details in the wider contexts of the history and society of the Greek and Roman worlds

**Critical Moments in Classical Literature** Richard Hunter, 2009-05-28 Through a series of innovative critical readings Richard Hunter builds a picture of how the ancients discussed the meaning of literary works and their importance in society He pays particular attention to the interplay of criticism and creativity by not treating criticism in isolation from the works which the critics discussed Attention is given both to the development of a history of criticism as far as our sources allow and to the constant recurrence of similar themes across the centuries At the head of the book stands the contest of Aeschylus and Euripides in Aristophanes Frogs which foreshadows more of the subsequent critical tradition than is often realised Other chapters are devoted to ancient reflection on Greek and Roman comedy to the Augustan critic Dionysius of Halicarnassus to Longinus On the Sublime and to Plutarch All Greek and Latin is translated

**A Dictionary of Classical Antiquities, Mythology, Religion, Literature and Art, from the German of Dr. Oskar Seyffert** Oskar Seyffert, 1901

**Euripides: Children of Heracles** Florence Yoon, 2020-01-09 This book is an accessible guide through the many twists and turns of Euripides Children of Heracles providing several frameworks through which to understand and appreciate the play Children of Heracles follows the fortunes of Heracles family after his death Euripides confronts characters and audience alike with an extraordinary series of plot twists and ethical challenges as the persecuted family of refugees struggles to find asylum in Athens before taking revenge on its enemy Eurystheus It is a fast paced story that explores the nature of power and its abuse focusing on the appropriate treatment and behaviour of the powerless and the obligations and limitations of asylum The audience must continually re evaluate the play s moral dimensions as the characters respond to complications that range from the fantastic to the frighteningly realistic Yoon situates Children of Heracles in its literary context showing how Euripides constructs a unique kind of tragic plot from a wide range of conventions It also explores the centrality of the dead Heracles and the leading role given to the socially powerless and the dramatically marginal Finally it discusses the historical contexts of the play s original performance and its political resonance both then and now

*A Dictionary of Classical Antiquities, Mythology, Religion, Literature & Art* Oskar Seyffert, 1895

*Landmarks in Classical Literature* Philip

Gaskell, 1999 Providing the context of time and place as well as discussing the translations Landmarks in Classical Literature surveys the most influential authors of ancient Greece and Rome Part of the three book series Landmarks in European Literature which presents the major authors of European literature and their works from ancient times until the 20th century this volume is designed for general readers and students looking for additional guidance in their reading or wishing to understand the context in which these fascinating works were written Helping and encouraging readers to explore and enjoy the European literary heritage the Landmarks in European Literature series include Landmarks in Continental European Literature Landmarks in Classical Literature and Landmarks in English Literature all of which will prove valuable at any library supporting literary studies

Translations from Classical Literature Kevin Murray, 2006 *The Classical Weekly*, 1914 The Classic Myths in English Literature and in Art Based Chiefly on Bulfinch's "Age of Fable" (1855) Charles Mills Gayley, 1911 **The Oxford Companion to Classical Literature** Sir Paul Harvey, 1966 A reference book containing alphabetical entries on people places characters and subjects of classical Greek and ancient Roman literature Includes plans and maps The Classic Myths in English Literature and in Art Charles Mills Gayley, 1911 **Heracleidae** Euripides, Edward Anthony Beck, 1895 Century Readings in Ancient Classical Literature Grant Showerman, 1925 Heraclidae Euripides, 1995 This edition and commentary provides an invaluable introduction to one of Euripides less well known plays and describes the enormous value of the text for our understanding of Athenian drama religion and society Heraclidae is one of Euripides alphabetical plays preserved exclusively in a Laurentian manuscript and therefore not selected in antiquity Neither in modern times despite the excellent commentaries of Elmsley 1821 and Pearson 1907 and powerful articles by Wilamowitz has the play been given the prominence it deserves This edition interprets the play in a wide cultural setting considering unorthodox aspects of the structure of the drama but placing particular emphasis on the cults and myths of Heracles in Attica on his apotheosis and marriage on his association with the young and most of all on the two most striking rituals in the play the voluntary self sacrifice of the daughter of Heracles and the conversion of Eurystheus from an enemy of Athens to a hero whose dead body will protect the city state The text is James Diggle's Oxford Classical Texts 1984

The Classical World, 1914 *Classical Weekly*, 1915 **The Classic Myths in English Literature** Charles Mills Gayley, 1893 **Classical Literature and Its Times** Joyce Moss, 2006 Examines the relationship between the political social climate during which books were written and the works themselves This volume focuses on classical literature
