The Choice:

The Choice Maker Hamid Rafizadeh, 2018-05-21 We all feel it To fit in is difficult to run away is impossible The only alternative is to manage yet something significant is missing Ancient knowledge has disappeared as if no one will ever find it but the divine intervenes rebooting the current existence into a new and unexpected one The divine voice unravels the ancient curse of ignorance placed on humans by humans stretching back to millennia and beyond a primal evil that threatens everyone's life unless one listens to the divine voice But where is that voice The Choice Maker offers clear ideas about the shocking realities that compel and engage humans to manage force and resources differently in relation to their place in earth's different versions one presently precarious and fleeting and the other arriving with unseen power and ferocity Author Hamid Rafizadeh pinpoints the divine voice in the Sermon on the Mount which is critical to human life survival and well being The Sermon on the Mount is universal knowledge for everyone not religious knowledge for select believers and it can reveal to us a truth about life in both the current blue skied earth and the new canopied earth that is coming soon Are you willing to go on a profound journey The one crucial to every human's life The one recommended by the divine Probably not and history is on the unwilling side yet The Choice Maker insists on showing you the way and the reasons for taking this journey

The Choice Dan M. Appel, 2008 Life in Gentry County looks ideal on the surface but as shocking secrets are exposed a battle line is drawn and everyone is forced to choose a side Brenda's husband had been dead four years Then he came home again Just like that He unlocked the door with his keys hung his coat in the closet and began to visit her every night Young and fearless nightclub singer Cindy lives alone But someone keeps lighting the candle on her dining room table And the footsteps in the living room are not the searching steps of a burglar but the steps of someone who has made himself at home As encounters with the spiritual world increase people in Gentry County start searching for the truth Are the dead really dead Or are they alive in another form Everyone in the community from the pastors and church members to the coven of witches must examine what they believe One by one each person is swept into the middle of a spiritual battle more intense than they ever imagined
