The Trouble With Max

Ernest Bramah

The Trouble With Max:

The Trouble with Max Patricia H. Rushford,2007-06-01 Jessie and her best friend Max do everything together Jessie tries to keep Max out of trouble which is not easy since her friend is wild and adventurous Soon Jessie begins to notice things Max has tried to keep hidden like that her stepparents are drug dealers At the risk of losing their friendship Jessie decides to confront Max with the truth **The troubles of a shovel hat, and other stories, by Max Baring** Charles Messent,1901

The Trouble With Max Marjorie Stenning,2025-03-21 Why does everything seem to go wrong for eleven year old Max All he wants is to fit in at school have a few good friends and not be made fun of by the cool kids Even his budding friendship with Cleo a new girl in his year six class ends in disaster When his mum starts seeing a new boyfriend Max s life only gets worse He doesn t like Jeff and Jeff certainly doesn t like him Jeff makes it plain Max is in the way and to make matters worse his mum spends so much time with Jeff she doesn t have much time for Max any more His feelings of isolation lead him to befriend a group of older boys and join in some of their activities But are they really friends Then Max meets some one who takes a real interest in him Could this be the turning point in his life **The Complete Max Carrados - Volume I** David Marcum,2025-12-01 You know Sherlock Holmes of Baker Street Now meet Max Carrados of The Turrets Richmond Together with those of Conan Doyle and R Austin Freeman Max Carrados are the only detective stories since Poe that are worth re reading George Orwell A Kind of Compulsion 1903 1936 In the late 1800 s and early 1900 s the usefulness of consulting detectives in the war against crime was very well established by Mr Sherlock Holmes By the early Twentieth Century Holmes had retired to Sussex and the void he left behind in London was capably filled by a number of other noted criminal specialists Solar Pons Hercule Poirot Dr John Thorndyke Father Brown Albert Campion and Lord Peter Wimsey to name a few But another who made a name for himself with his unique skills tends to receive less attention today Max Carrados The first Carrados short story The Coin of Dionysius was published in the August 17th 1913 issue of News of the World and the world was introduced to the masterful blind sleuth From 1913 to 1934 mystery readers were treated to Carrados published adventures in the form of twenty six short stories and one full length novel In his time Carrados was one of the most popular detectives in literature The July 1924 issue of The Strand contained a new Sherlock Holmes story but it was the announcement of a new Carrados adventure that decorated the magazine s cover As a young man Carrados was blinded in an accident but instead of retreating from life he trained himself so that his remaining senses were more powerful and discerning than those around him Additionally Carrados had a keen understanding of his fellow man and the ability to make deductions from the data he perceived in a Holmesian manner that always led to successful solutions Inheriting a fortune from a distant relative Carrados could afford to pursue his investigatory interests Like Hercule Poirot and Miss Jane Marple his unassuming manner caused his foes to ignore and underestimate him as harmless and helpless That was their foolish mistake Along the way Carrados assembled a small cadre of associates including his old friend private inquiry agent Louis

Carlyle who often involved him in interesting cases his butler Parkinson who acted as his eyes when necessary and his private secretary Greatorax young and impetuous but always successful Over the course of twenty seven adventures that range from before during and after World War I we see the blind detective solve some truly puzzling crimes as well as finding himself in deadly personal danger where he must cleverly turn the tables Now all the stories are together in one collection The two volume set of *The Complete Max Carrados* I have no blundering self confident eyes to be hoodwinked Max Carrados Volume I Max Carrados 1914 *The Coin of Dionysius* *The Knight s Cross* *Signal Problem* *The Tragedy at Brookbend Cottage* *The Clever Mrs Straithwaite* *The Last Exploit of Harry the Actor* *The Tilling Shaw Mystery* *The Comedy at Fountain Cottage* *The Game Played in the Dark* *The Eyes of Max Carrados* 1923 *The Virginiola* *Fraud* *The Disappearance of Marie Severe* *The Secret of Dunstan s Tower* *The Mystery of the Poisoned Dish of Mushrooms* *The Ghost of Massingham Mansions* *The Missing Actress* *Sensation* *The Ingenious Mr Spinola* *The Kingsmouth Spy Case* *The Eastern Mystery* *The Specimen Case* 1924 *The Bunch of Violets* *The Adventures of of Max Carrados* Ernest Bramah,2022-11-13 In *The Adventures of Max Carrados* Ernest Bramah presents a captivating collection of detective stories centered around the blind sleuth Max Carrados The narrative unfolds through a series of meticulously crafted mysteries that challenge the conventions of the genre Bramah s prose is notable for its wit and clarity employing an engaging first person perspective that accentuates Carrados s unique abilities and perceptive insights Set in the early 20th century the stories reflect the intersection of traditional detective fiction and emerging modernist themes as Bramah explores the notion of perception and knowledge beyond the realm of sight Ernest Bramah a distinguished figure in early 20th century literature was deeply influenced by his experiences and observations of the society around him Born in 1868 Bramah began his career in journalism which honed his narrative skills and understanding of human nature essential elements woven into Carrados s investigations Furthermore his interest in eastern philosophy and culture often informed his inventive storytelling revealing a multidimensional understanding of both the ordinary and extraordinary aspects of life Readers interested in unconventional detective fiction will find *The Adventures of Max Carrados* a refreshing exploration of mystery literature Bramah s clever plots and the intriguing character of Carrados invite readers to question not only the nature of sight but also the depths of human intuition This book is a must read for both aficionados of the genre and newcomers looking for a thought provoking literary experience [The Complete Works of Ernest Bramah \(Including Max Carrados Mysteries & Kai Lung Fantasy Series\)](#) Ernest Bramah,2023-12-08 *The Complete Works of Ernest Bramah* is a comprehensive anthology that gathers the rich tapestry of Bramah s literary legacy including his acclaimed Max Carrados mysteries and the whimsical Kai Lung fantasy series Characterized by a distinctive blend of dry humor clever wordplay and an intricate narrative style Bramah s writings offer both intellectual puzzles and enchanting tales Through his innovative use of language and engaging storytelling Bramah immerses readers in distinctive worlds where ordinary situations often take extraordinary turns reflecting the complexities of the human condition and

Victorian society's mores Ernest Bramah a pivotal figure in early 20th century literature drawing from his experiences in business and an insatiable curiosity for the clever and absurd crafted narratives that stand out for their originality and wit His keen observation of social norms and human folly shines through in his work showcasing his unique perspective as a disabled writer who challenged societal expectations Bramah's foray into the detective genre and fantasy emerged during a period of great literary experimentation placing his contributions within the larger context of both genres For readers seeking a blend of mystery and humor The Complete Works of Ernest Bramah promises an enriching literary experience It not only showcases the versatility of Bramah's storytelling but also serves as a testament to his unique voice that has shaped and entertained generations of readers This anthology is an essential addition for any lover of classic literature and an invitation to explore the imaginative realms that Bramah so masterfully created
