JONATHAN M. HOGAN

Foreword by Professor Sir John Boardman

Trials From Classical Athens

Kathleen Armour

Trials From Classical Athens:

Trials from Classical Athens Christopher Carey, 1997 This comprehensive book will be a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world Trials from Classical Athens presents a selection of key forensic speeches with new translations and lucid explanatory notes detailing the strengths and weaknesses of the arguments and a discussion of the legal issues raised Carey offers a diverse repertory of legal case studies which deal with different aspects of Athenian law The volume provides a unique and accessible introduction to the Athenian legal system and how the system reveals the values and social life of Classical Athens This comprehensive book will be a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world *Trials from Classical Athens* Christopher Carey, 2012-03-12 The ancient Athenian legal system is both excitingly familiar and disturbingly alien to the modern reader It functions within a democracy which shares many of our core values but operates in a disconcertingly different way Trials from Classical Athens assembles a number of surviving speeches written for trials in Athenian courts dealing with themes which range from murder and assault through slander and sexual misconduct to property and trade disputes and minor actions for damage The texts illuminate key aspects both of Athenian social and political life and the functioning of the Athenian legal system This new and revised volume adds to the existing selection of key forensic speeches with three new translations accompanied by lucid explanatory notes The introduction is augmented with a section on Athenian democracy to make the book more accessible to those unfamiliar with the Athenian political system To aid accessibility further a new glossary is included as well as illustrations for the first time Providing a unique and guided introduction to the Athenian legal system and explaining how the system reveals the values and social life of Classical Athens Trials from Classical Athens remains a fundamental resource for students of Ancient Greek history and anyone interested in the law social history and oratory of the Ancient Greek world

Envy, Poison, & Death Esther Eidinow, 2015-12-10 This is an open access title available under the terms of a CC BY NC ND 4.0 licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations At the heart of this volume are three trials held in Athens in the fourth century BCE The defendants were all women and in each case the charges involved a combination of ritual activities Two were condemned to death Because of the brevity of the ancient sources and their lack of agreement the precise charges are unclear and the reasons for taking these women to court remain mysterious Envy Poison and Death takes the complexity and confusion of the evidence not as a riddle to be solved but as revealing multiple social dynamics It explores the changing factors material ideological and psychological that may have provoked these events It focuses in particular on the dual role of envy *phthonos* and gossip as processes by which communities identified people and activities that were dangerous and examines how and why those local even individual dynamics may have come to shape official civic decisions during a time of perceived hardship At first

sight so puzzling these trials reveal a vivid picture of the socio political environment of Athens during the early mid fourth century BCE including responses to changes in women s status and behaviour and attitudes to ritual activities within the city The volume reveals some of the characters events and even emotions that would help to shape an emergent concept of magic it suggests that the boundary of acceptable behaviour was shifting not only within the legal arena but also through the active involvement of society beyond the courts

The Evolution of Homicide Trials in Classical Athens from Greek Religious Laws and Practices Andrea Lee Wright,1999 This thesis demonstrates that the homicide laws and practices of Classical Athens evolved from religious laws and practices from the earlier periods of the Greek religion and that the belief which most readily promoted the development of homicide trials was restoring honor to those who had lost it through wrong doings The ideas of honor and justice were the central concepts of the early Greek religious beliefs and it was just those ideas of honor and justice that led to the evolution of the Athenian legal system In the Greek religion men used the practice of sacrifice to honor the gods who were angered by murderers and punished them before they shared their pollution with the city In the Classical Age the concepts of honor and justice are seen in the statutes and procedures of homicide trials

Envy, Poison, and Death Esther Eidinow,2016 This volume explores three trials conducted in Athens in the fourth century BCE the defendants were all women charged with undertaking ritual activities but much of the evidence remains a mystery The author reveals how these trials provide a vivid glimpse of the socio political environment of Athens during this time

Political Trials in Theory and History Jens Meierhenrich,Devin O. Pendas,2017-02-27 From the trial of Socrates to the post 9 11 military commissions trials have always been useful instruments of politics Yet there is still much that we do not understand about them Why do governments use trials to pursue political objectives and when What differentiates political trials from ordinary ones Contrary to conventional wisdom not all political trials are show trials or contrive to set up scapegoats This volume offers a novel account of political trials that is empirically rigorous and theoretically sophisticated linking state of the art research on telling cases to a broad argument about political trials as a socio legal phenomenon All the contributors analyse the logic of the political in the courtroom From archival research to participant observation and from linguistic anthropology to game theory the volume offers a genuinely interdisciplinary set of approaches that substantially advance existing knowledge about what political trials are how they work and why they matter

Trial Stories in Jewish Antiquity Chaya T. Halberstam,2025-05-15 What can early Jewish courtroom narratives tell us about the capacity and limits of human justice By exploring how judges and the act of judging are depicted in these narratives Trial Stories in Jewish Antiquity Counternarratives of Justice challenges the prevailing notion both then and now of the ideal impartial judge As a work of intellectual history the book also contributes to contemporary debates about the role of legal decision making in shaping a just society Chaya T Halberstam shows that instead of modelling a system in which lofty inaccessible judges follow objective and rational rules ancient Jewish trial narratives depict a legal practice dependent upon the individual judge s personal

relationships reactive emotions and impulse to care Drawing from affect theory and feminist legal thought Halberstam offers original readings of some of the most famous trials in ancient Jewish writings alongside minor case stories in Josephus and rabbinic literature She shows both the consistency of a counter tradition that sees legal practice as contingent upon relationship and emotion and the specific ways in which that perspective was manifest in changing times and contexts

Democracy in Classical Athens Christopher Carey,2017-01-12 For two centuries classical Athens enjoyed almost uninterrupted democratic government This was not a parliamentary democracy of the modern sort but a direct democracy in which all citizens were free to participate in the business of government Throughout this period Athens was the cultural centre of Greece and one of the major Greek powers This book traces the development and operation of the political system and explores its underlying principles Christopher Carey assesses the ancient sources of the history of Athenian democracy and evaluates criticisms of the system ancient and modern He also provides a virtual tour of the political cityscape of ancient Athens describing the main political sites and structures including the theatre With a new chapter covering religion in the democratic city this second edition benefits from updates throughout that incorporate the latest research and recent archaeological findings in Athens A clearer structure and layout make the book more accessible to students as do extra images and maps along with a timeline of key events

Great Trials and the Law in the Historical Imagination Russell L. Dees,2022-07-29 Great Trials and the Law in the Historical Imagination A Law and Humanities Approach introduces readers to the history of law and issues in historical legal and artistic interpretation by examining six well known historical trials through works of art that portray them Great Trials provides readers with an accessible non dogmatic introduction to the interdisciplinary law and humanities approach to law legal history and legal interpretation By examining how six famous notorious trials in Western history have been portrayed in six major works of art the book shows how issues of legal historical and artistic interpretation can become intertwined the different ways we embed law in narrative how we bring conscious and subconscious conceptions of history to our interpretation of law and how aesthetic predilections and moral commitments to the law may influence our views of history The book studies well known depictions of the trials of Socrates Cicero Jesus Thomas More the Salem witches and John Scopes and provides innovative analyses of those works The epilogue examines how historical methodology and historical imagination are crucial to both our understanding of the law and our aesthetic choices through various readings of Harper Lee s beloved character Atticus Finch The first book to employ a law and humanities approach to delve into the institution of the trial and what it means in different legal systems at different historical times this book will appeal to academics students and others with interests in legal history law and popular culture and law and the humanities

The Trial Sadakat Kadri,2005 With tremendous wit clarity and insight Kadri journeys through 2 500 years of jurisprudence and reveals how age old superstitions often religious and mystical sometimes even sacrificial continue to infuse what is thought of as a quintessentially rational process

Religious Individualisation Martin Fuchs,Antje

Linkenbach, Martin Mulso, Bernd-Christian Otto, Rahul Bjørn Parson, Jörg Rüpke, 2019-12-16 This volume brings together key findings of the long term research project Religious Individualisation in Historical Perspective Max Weber Centre for Advanced Cultural and Social Studies Erfurt University Combining a wide range of disciplinary approaches methods and theories the volume assembles over 50 contributions that explore and compare processes of religious individualisation in different religious environments and historical periods in particular in Asia the Mediterranean and Europe from antiquity to the recent past Contrary to standard theories of modernisation which tend to regard religious individualisation as a specifically modern or early modern as well as an essentially Western or Christian phenomenon the chapters reveal processes of religious individualisation in a large variety of non Western and pre modern scenarios Furthermore the volume challenges prevalent views that regard religions primarily as collective phenomena and provides nuanced perspectives on the appropriation of religious agency the pluralisation of religious options dynamics of de traditionalisation and privatisation the development of elaborated notions of the self the facilitation of religious deviance and on the notion of dividuality

Hermathena ,1999 *The Classical Journal* ,1922 *Ancient Greek Arbitration* Derek Roebuck,2001 The first full length description and analysis of how dispute resolution by mediation and arbitration developed in the Ancient Greek world from Homer to Cleopatra Based on all the primary sources with the relevant extracts in new translations not only poetry drama history philosophy and oratory but also inscriptions and the mass of arbitration documents surviving as papyri Introductory chapters deal with theory and method language and translation and the Greek legal system The conclusions show how mediation and arbitration were partners in the ordinary processes of dispute resolution and widespread in all the times and places examined Publisher s note **Syllecta Classica** ,2003 **The Law and the Courts in Ancient Greece**

Edward Harris, Lene Rubinstein, 2004-03-18 How successful were the Greeks in bringing about the rule of law What did the Greeks recognise as law both in the polis and internationally This collection of essays sets out to answer these questions

Sources of World Societies, Volume I: To 1600 Denis Gainty, Walter D. Ward, 2011-10-04 Designed to accompany McKay et al s A History of World Societies each chapter of Sources of World Societies contains approximately six sources that present history from the perspectives of well known figures and ordinary individuals alike Now with visual sources and two more documents per chapter this edition offers breadth and depth Headnotes and questions supplement each document while a new Viewpoints feature highlights two or three sources per chapter that address a single topic from different perspectives Comparative questions ask students to make connections between sources and across time Sources of World Societies is FREE when packaged with A History of World Societies For more information on the reader or on package ISBNs please contact your local sales representative or click here *Demosthenes, Speeches 27-38* Demosthenes, 2004-09 This is the eighth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These

translations are especially designed for the needs and interests of today's undergraduates. Greekless scholars in other disciplines and the general public. Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, law and legal procedure, and other aspects of Athenian culture that have recently been attracting particular interest: women and family life, slavery, and religion, to name just a few. Demosthenes is regarded as the greatest orator of classical antiquity. This volume contains five speeches written for lawsuits in which Demosthenes sought to recover his inheritance, which he claimed was fraudulently misappropriated and squandered by the trustees of the estate. These speeches shed light on Athenian systems of inheritance, marriage, and dowry. The volume also contains seven speeches illustrating the legal procedure known as *paragraphe* or counter-indictment. Four of these are for lawsuits involving commercial shipping, a vital aspect of the Athenian economy that was crucial to maintaining the city's imported food supply. Another concerns the famous Athenian silver mines.

Greek People Robert Kebric, 2004-07-28. *Greek People* explains the ancient classical Greek world by focusing on individual personalities, what is known about them, and their world views. Both famous and everyday individuals become lenses through which the reader can understand the values and characteristics of ancient Greece. [Aeschines](#)
Aeschines, 2000. Contains the three surviving speeches of Aeschines, 390 B.C.

If you ally obsession such a referred **Trials From Classical Athens** ebook that will find the money for you worth, get the unquestionably best seller from us currently from several preferred authors. While this might not be the Trials From Classical Athens full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Trials From Classical Athens eBooks, including some popular titles.

FAQs About Trials From Classical Athens Books

What is a Trials From Classical Athens PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Trials From Classical Athens PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Trials From Classical Athens PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Trials From Classical Athens PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Trials From Classical Athens PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
