discerning author critics in literary America This collection of her book reviews manifests the connecting of her penetrating eye with her responsive intellect in forming sympathetic judgments of the books she reviewed Between 1942 and 1984 Welty wrote sixty seven reviews of seventy four books Fifty eight of these appeared in the New York Times Book Review and others

in the Saturday Review of Literature Tomorrow the Hudson Review the New York Post and the Sewanee Review The reviewed books include novels short story collections books of essays biographies and memoirs books of letters children s books books of ghost stories photography books books of literary criticism and books of World War II art Over nearly half a
