Robertson,1996 **Somewhere In Between** Virginia Archer,2016-12-08 Somewhere In Between is a book of poems about love falling in love falling out of love and hoping for the darn stuff It is a book to cry over alone or read out loud to your significant other Anyone who has ever experienced love and heartbreak will relate Somewhere-In-Between Ifeloluwa J Ti-Kristi,2022-08-23 To you In the years that I struggled At the time I was caught in the midst of my fears Iffy about the right or wrong Yet still I found peace Love was there for me Some days were good other days were bad Oh sinner me When will you ever be right This struggle is eating deep Will I ever be free from its hold on me Yet still I found peace Love waited for me In Somewhere in Between lies the hope that you are not alone and that whatever you are going through or you have been through it will be all right The collection of poems in this book speaks of hope love and redemption As you read this poetry collection you experience the Father s love through the heart of the poet **Somewhere, Sometime, Somehow** JulesVerne Orion,2008-09-29 These poems and short stories are arranged in chronological order as they were inspired by a long term love affair and written from 1989 to 2007 For the perceptive reader one can trace the ups and downs of our relationship These 18 years were filled with love and passion Perhaps it was fantasy perhaps it was the most real thing we will ever experience These inspired poems were written mostly during the first ten years As it became obvious that my dream would never come true the inspiration dwindled and fewer poems were written in later years The heartbreaking part of this 18 year love affair is that I am not sure my lover ever really understood or appreciated my unconditional deep love for her I opened my heart to her through poetry but I never knew what was in her heart Perhaps it was a one sided love affair but I think and hope not I was convinced that she loved me through her words and actions At least I experienced a love that I had only dreamed possible Each image carefully placed in this book carries a very special meaning for the poem and for our love journey Even the clock photo carries a meaning related to the untimely death of US Each word is carefully chosen to convey my feelings While I tried to express my love in poetic words there was an enormous amount left unsaid I can only hope you find meaning and joy in the thoughts and feelings these words convey to you A fuller story of this passionate love affair will be unfolded in an upcoming book **We Are All From Somewhere Else** Ruth Padel,2020-10-27 First published as The Mara Crossing now with new and updated material A prodigy a book of wonders Wonder pity and terror the searing
