Byrne,2021-06-25 Magic though generally considered unreliable has played an important role in the life of young Princess Eleanor But at her birthday party that magic takes a dark tone and threatens everything she knows Will she be clever and brave enough to solve the problem even without the help of her parents the King and Queen The Magic Cat Chronicles are a set of children s stories aged 7 13 with a common theme of a helpful possibly magical cat However it is the cleverness and bravery of the heroines in each story which makes each ending magical Every book in The Magic Cat Chronicles will be followed by supplemental educational materials so that teachers and home schoolers can use the story to improve their childrens vocabulary reading comprehension and grammar Each educational supplement will be as magically entertaining as its story Study after study has shown that reading to your children and having reading materials in your home will help prepare children for school and later education Be a part of that magical process by picking up a copy of The Magical Cat Chronicles and assuring that your child will be ready for reading If they have already begun to read simple and fun stories can help whet their appetite for more And honestly Having a child who hungers to read and learn is the real magic as any teacher like myself can tell you Begin with the story of Princess Eleanor and let the magic of the adventure light up your child s imagination If you choose you can follow it up with supplemental educational materials that can help instil lessons taught in the story Every story will have its own supplemental materials or the stories can be appreciated for what they are The stories feature beautiful bold and colorful matte covers with black and white interiors The supplemental books will have

pages of coloring word searches crosswords and so much more Whether your child is ready to read The Princess and the Cat to themselves or follow along as you share it with them be assured that their imaginations will soar right along with the magical adventures in the stories
