

The Truman Years

Steve Neal

The Truman Years:

The Truman Years, 1945-1953 Mark S. Byrnes, 2014-07-30 The Truman Years is a concise yet thorough examination of the critical postwar years in the United States Byrnes argues that the major trends and themes of the American history have their origins during the presidency of Harry S Truman He synthesizes the recent Truman literature and explains the links between domestic U S political and social trends and cold war foreign policy

The Truman Years, 1945-1953 Mark S. Byrnes, 2014-07-30 The Truman Years is a concise yet thorough examination of the critical postwar years in the United States Byrnes argues that the major trends and themes of the American history have their origins during the presidency of Harry S Truman He synthesizes the recent Truman literature and explains the links between domestic U S political and social trends and cold war foreign policy

The Truman Years Harry S. Truman, Robert L. Polley, 1976

The Truman Presidency Michael James Lacey, 1991-06-28 The essays in this volume provide a wide ranging overview of the intentions achievements and failures of the Truman administration

Documentary History of the Truman Presidency Dennis Merrill, 1995

Conflict and Crisis Robert J. Donovan, 1996 It was a quiet on the second floor The vice president walked solemnly into Mrs Roosevelt s sitting room where she waited grave and calm With her was her daughter Mrs Anna Roosevelt Boettiger her husband Colonel John Boettiger and Stephan Early Truman knew at a glance that his premonition had been true Mrs Roosevelt came forward directly and put her arm on his shoulder Harry the President is dead Robert J Donovan s Conflict and Crisis presents a detailed account of Harry S Truman s presidency from 1945 1948

HST Steve Neal, 2003 Believing that Americans should understand their leadership Harry Truman was the first American president to authorize an oral history of his life and times In that vein almost forty years ago the Truman Library in the president s native Independence Missouri began the daunting task of compiling the words of Truman s contemporaries including his senior aides foreign policy and military advisors political strategists and close friends Longtime Chicago journalist Steve Neal has edited twenty of these remarkable interviews for *HST Memories of the Truman Years* Candid and insightful the recollections include those of statesmen Dean Acheson and Averell Harriman soldiers Omar Bradley and Lucius Clay Truman s best friend Thomas Evans associates Clark Clifford and Matt Connelly 1948 Republican vice presidential nominee Earl Warren artist Thomas Hart Benton West German leader Konrad Adnauer former New Dealers Sam Rosenman and James Rowe journalist Richard L Strout and many others An honest portrait of Truman emerges from the twenty firsthand accounts of those who knew him best *HST Memories of the Truman Years* spans Truman s rise to the presidency and his responses to the challenges of World War II the Soviet blockade of Berlin the rebuilding of postwar Europe the 1948 campaign his controversial firing of General Douglas MacArthur and his courageous leadership on civil rights The goal of these histories explains Truman s grandson Clifton Truman Daniel in the foreword in keeping with Grandpa s stated desire that the Truman Library be about his presidency not a monument to him was to preserve forever the perspective of those who had shared his life and times and in

many cases helped him shape the world *The Record* United States. National Archives and Records Administration, 1994

The Presidency of Harry S. Truman Donald R. McCoy, 1984 In this volume in the American Presidency Series McCoy recounts and evaluates the record of the Truman Administration and identifies its distinctiveness and relations to the past its own time and the future Focusing on the problems that faced the United States between 1945-1953 he explains how Truman's vigor in championing civil rights health labor education and natural resource policies brought him immense unpopularity and how despite this Truman triumphed in 1948 winning bipartisan support for his foreign and military policies The author depicts Truman as an honest hard working capable and complex man and describes his relationships with his staff Congress foreign representatives the judiciary political parties the press the public and influential private citizens ISBN 0 7006 0252 6 25 00 Farm Policies and Politics in the Truman Years Allen J. Matusow, 1967 In this thorough and lively study Allen

Matusow tracing the history of government policy on food and agriculture during the Truman administration relates the process by which the United States government overcame disharmony among its own politicians and farmers to save Europe from famine in the years immediately following World War II The Department of Agriculture which had asserted that food will win the war and write the peace was often reluctant to believe its own slogan Elucidating the policies involved in postwar planning for both foreign trade and domestic farm production Matusow shows how the memorable fear of huge surpluses created by the Depression in the 1930s had affected the attitudes of government officials toward agricultural planning and production from 1945 to 1952 Interpreting the origins and defeat of the Brannan Plan the author finds remnants of that policy evident in the current adoption of production payments Farm Policies and Politics in the Truman Years offers new insight into the creative agricultural policy which emerged from hesitant beginnings in Truman's second term **The**

Truman Presidency Cabell Phillips, 1966 This is the first full scale and objective narrative of one of the most turbulent and significant epochs in the seven and three quarter years that profoundly affected the destiny of the United States and of the world *The Presidency in a Separated System* Charles O. Jones, 2005-10-01 Popular interpretations of American government tend to center on the presidency Successes and failures of government are often attributed to presidents themselves But though the White House stands as a powerful symbol of government the United States has a separated system intentionally designed to distribute power not to concentrate it Charles O Jones explains that focusing exclusively on the presidency can lead to a seriously distorted picture of how the national government works The role of the president varies widely depending on his resources advantages and strategic position Public expectations often far exceed the president's personal political institutional or constitutional capacities for achievement Jones explores how presidents find their place in the permanent government and how they are fitted in by others most notably those on Capitol Hill This book shows how a separated system of government works under the circumstances created by the Constitution and encouraged by a two party system Jones examines the organizational challenges facing presidents their public standing and what it means

presidential agendas and mandates and lawmaking how it works where the president fits in and how it varies from issue to issue He compares the post World War II presidents and identifies the strengths and weaknesses of each in working within the separated system Jones proposes a view of government as a legitimate even productive form of decisionmaking and emphasizes the varying strategies available to presidents for governing He concludes with a number of important lessons for presidents and advice on how to make the separated system work better

Economics and the Truman Administration
Harry S. Truman Library. Institute for National and International Affairs, 1981 This retrospective study brings together twenty two key associates of President Truman s to consider the administrative operation of the presidency from 1945 to 1953 The contributors are persons who were close to Truman throughout his presidency members of the cabinet the White House staff and senior officials in Executive Office agencies Sharing personal reflections are among others Charles Brannan W Averell Harriman Leon H Keyserling Charles S Murphy Richard E Neustadt John W Snyder Elmer B Staats and the late Tom C Clark A number of important administrative aspects of Truman s presidency are touched upon as the participants review the years of their White House experience They talk about policy making in the areas of national security and foreign affairs about budget and economic matters relations with Congress domestic problems such as civil rights presidential appointments and even press relations They exchange anecdotes about the president s style and their working relationships with him in staff meetings cabinet meetings and private briefing sessions The creation of the Central Intelligence Agency and the establishment of the National Security Council the Council of Economic Advisers and the National Security Resources Board during Truman s administration clearly improved and strengthened the organization of and the institutional aids to the presidency In answer to the question of what can be learned from the way Truman operated the presidency however the overriding theme of the exchanges recorded here is that the style of the White House is inescapably the president s style The picture that emerges in these pages of life and work in Truman s administration is one of informality enthusiasm and camaraderie A family like atmosphere pervaded the staff and the president played the crucial role in setting the tone Incorporating a broad spectrum of firsthand information on the administrative concepts and practices of the Truman era this volume will be of prime interest to all students of government and executive organization

Congress and the Foreign Policy Process
Cecil V. Crabb, Jr., Glenn J. Antizzo, Leila S. Saredidine, 2000-02-01 In this highly original and thoroughly informed study Cecil V Crabb Jr Glenn Antizzo and Leila S Saredidine identify and examine recurring modes or patterns of legislative behavior over the span of America s diplomatic experience Although congressional involvement in foreign policy making has received much scholarly attention this work is groundbreaking in that it focuses on those patterns of congressional conduct that have repeated themselves over time and on the basis of experience will probably continue to occur Thus it creates a large predictable framework of legislative activity concerning America s problems abroad to which students of U S foreign policy can relate Congress s actions in any era The authors identify four models of legislative conduct

congressional assertiveness and activism in foreign affairs congressional acquiescence in diplomatic leadership by the president a bipartisan approach and a division of labor model in which both the president and Congress play significant but essentially different roles In examining each of these modes the authors explore the circumstances and factors that gave rise to each pattern and evaluate its positive and negative results for the overall foreign policy of the United States Brimming with lively language and invaluable observations Congress and the Foreign Policy Process offers a thought provoking means to understanding a complex and important area in the study of American government

Harry's Farewell Richard Stewart Kirkendall, 2004 Harry's Farewell confronts the biggest issue of Truman historiography the historical significance of Harry S Truman's presidency Exploring the subject from the point of view of Truman's Farewell Address of January 15 1953 the book begins by describing the preparation of the address itself by the president and his closest advisers In it they challenged the negative view of his presidency that prevailed as he prepared to leave the White House The book goes on to appraise the presidency in terms of the topics included in the address the president and the people the economy civil rights the bomb Containment Korea and the end of the Cold War Four essays follow that cover key topics that Truman did not mention in his speech the Red Scare women's rights ethnicity and the environment The book ends with essays by two major Truman biographers who present their own interpretations of his historical significance Book Jacket

Annual Iowa Year Book of Agriculture Iowa. Department of Agriculture, 1914 Includes proceedings reports statistics etc of different county and district agricultural institutes and societies

The Truman White House Francis H. Heller, 2021-10-08 This retrospective study brings together twenty two key associates of President Truman's to consider the administrative operation of the presidency from 1945 to 1953 A record of the discussions that took place at the conference held in May 1977 sponsored by the Harry S Truman Library Institute for National and international Affairs it presents an assortment of views on Truman's administrative philosophies and practices The contributors are persons who were close to Truman throughout his presidency members of the cabinet the White House staff and senior officials in Executive Office agencies Sharing personal reflections are among others Charles Brannan W Averell Harriman Leon H Keyserling Charles S Murphy Richard E Neustadt John W Snyder Elmer B Staats and the late Tom C Clark Coordinating the interaction with incisive questions and comments on general administrative history are Edward H Hobbs of Auburn University Dorothy Buckton James of the Virginia Polytechnic Institute and State University Louis W Koenig of New York University and Chester A Newland of the University of Southern California A number of important administrative aspects of Truman's presidency are touched upon as the participants review the years of their White House experience They talk about policy making in the areas of national security and foreign affairs about budget and economic matters relations with Congress domestic problems such as civil rights presidential appointments and even press relations They exchange anecdotes about the president's style and their working relationships with him in staff meetings cabinet meetings and private briefing sessions They consider whether Truman had a chief of staff or the equivalent

and debate the liberal versus the conservative stance of the Truman presidency The creation of the Central Intelligence Agency and the establishment of the National Security Council the Council of Economic Advisers and the National Security Resources Board during Truman s administration clearly improved and strengthened the organization of and the institutional aids to the presidency In answer to the question of what can be learned from the way Truman operated the presidency however the overriding theme of the exchanges recorded here is that the style of the White House is inescapably the president s style The picture that emerges in the pages of life and work in Truman s administration is one of informality enthusiasm and camaraderie A family like atmosphere pervaded the staff and the president played the crucial role in setting the tone Thus the White House between 1945 and 1853 was orderly because Harry Truman was an orderly person it was profoundly human because that was Truman s way Truman is remembered by his key associates as a prodigious worker and a thorough professional To those who wrote and spoke for this volume there is no question that the nation was well served by the way Harry Truman managed his affairs in the White House Incorporating a broad spectrum of firsthand information on the administrative concepts and practices of the Truman era this book will be of prime interest to all students of government and executive organization

Tumultuous Years Robert J. Donovan,1996 In January of 1949 the aftershocks of the Second World War were still jarring large parts of the globe although they had greatly diminished in the United States In Asia however turbulence continued to rise as a result of the collapse of Japan the tottering of the European empires after the war and the combustion produced by nationalism mixed with communism Because a segment of American opinion generally represented in the more conservative wing of the Republican party was very sensitive to events in Asia the tremors in the Far East came as harbingers of disturbing political conflict in the United States Robert J Donovan s *Tumultuous Years* presents a detailed account of Harry S Truman s presidency from 1949 1953

The American Presidency Forrest McDonald,1994 McDonald explores how and why the presidency has evolved into such a complex and powerful institution unlike any other in the world He chronicles the presidency s creation implementation and evolution and explains why it s still working today despite its many perceived afflictions

Iowa Year Book of Agriculture Iowa. Dept. of Agriculture,1911
