The Two Guardians:

The Two Guardians Charlotte Mary Yonge,2000 **The Two Guardians** Charlotte Mary Yonge,1871 **The Heir of Redclyffe. By the author of 'The Two Guardians' i.e. Charlotte M. Yonge ... The second edition, revised ,1868**

The Two Guardians Charlotte Mary Yonge,2006 **The Two Guardians, Or Home in This World** Charlotte Yonge,2014-05-17 From the preface The plan has been to present a picture of ordinary life with its small daily events its pleasures and its trials so as to draw out its capabilities of being turned to the best account Great events such as befall only a few are thus excluded and in the hope of helping to present a clue by example to the perplexities of daily life the incidents which render a story exciting have been sacrificed and the attempt has been to make the interest of the book depend on character painting *The Two Guardians* Charlotte Mary Yonge,2017-10 **The Two Guardians** The Two Guardians Charlotte M. Yonge,2005-12 Throughout these tales the plan has been to present a picture of ordinary life with its small daily events its pleasures and its trials so as to draw out its capabilities of being turned to the best account Great events such as befall only a few are thus excluded and in the hope of helping to present a clue by example to the perplexities of daily life the incidents which render a story exciting have been sacrificed and the attempt has been to make the interest of the books depend on character painting Charlotte M Yonge from the Preface **The Two Guardians** Charlotte Mary Yonge,2017-10-29 **The Two Guardians** By Charlotte Mary Yonge **The Two Guardians** Charlotte Mary Yonge,2013-06-07 In putting forth another work the Author is anxious to say a few words on the design of these stories not with a view to obviate criticism but in hopes of pointing to the moral which has been thought not sufficiently evident perhaps because it has been desired to convey rather than directly inculcate it Throughout these tales the plan has been to present a picture of ordinary life with its small daily events its pleasures and its trials so as to draw out its capabilities of being turned to the best account Great events such as befall only a few are thus excluded and in the hope of helping to present a clue by example to the perplexities of daily life the incidents which render a story exciting have been sacrificed and the attempt has been to make the interest of the books depend on character painting Each has been written with the wish to illustrate some principle which may be called the key note Abbeychurch is intended to show the need of self control and the evil of conceit in different manifestations according to the various characters Scenes and Characters was meant to exemplify the effects of being guided by mere feeling set in contrast with strict adherence to duty In Henrietta s Wish the opposition is between wilfulness and submission filial submission as required in the young people and that of which it is a commencement as well as a type as instanced in Mrs Frederick Langford The design of the Castle Builders is to show the instability and dissatisfaction of mind occasioned by the want of a practical obedient course of daily life with an especial view to the consequences of not seeking strength and assistance in the appointed means of grace And as the very opposite to Emmeline s feeble character the heroine of the present story is intended to set forth the manner in which a Christian may contend with and conquer this world living

in it but not of it and rendering it a means of self renunciation It is therefore purposely that the end presents no great event and leaves Marian unrecompensed save by the effects her consistent well doing has produced on her companions Any other compensation would render her self sacrifice incomplete and make her no longer invisibly above the world
