Hot Coffee In The Morning Babette Edwards,2024-07-05 Wash Your Buts Christ also loved the church and gave himself for it That he might sanctify and cleanse it with the washing of water by the word Ephesians 5 25 26 KJV Ever go through a period of knowing what pleases God yet not really wanting to do that thing or let that thing go Well welcome to the club We all struggle from time to time with disobedience We often do know what is right BUT we have excuses We may even feel good about ourselves for not committing some of those basic sins i e adultery lying cheating stealing etc But what about when we need to go out of our way to have that conversation we really don t want to have like asking forgiveness BUT I was not wrong we say Or maybe there s a nudging to give more than we d planned BUT I need it more we reason For a while we may not know what God s will is on a matter Then like Paul there s a blinding light and we want to say Not so Lord rather than change our way of thinking BUT God understands we console ourselves Whether we re aware of it or not all such stubbornness and disobedience yours and mine is rooted in a lack of faith in God I once heard that God s people would be much more obedient to His Word if we truly believed that God knows more than us God loves us more than we love ourselves Why else would we resist His known will We either don t think God knows what He s doing or we think He is out to mess us up What are we to do We ve got to have our minds cleansed with God s Word so we can better know Who God is That God really loves us In this sense brain washing is good Psalm 119 9 states that we can be cleansed by taking heed unto God s Word Let s let God s Word wash away all our objections so that instead of saying BUT God we will say Yes Lord God knows so much more than we do AND He cares for us more than we know

Parker, 2014-10-28 Shayla Kyle and Amber have a lot in common good looks college educations rich husbands and despite their affluent lifestyles deep dissatisfaction with their lives Each feels there is a void in her dream relationship and begins to seek fulfilment beyond the routine of being a trophy wife The three draw support from each other but despite their close knit relationship each has her own secret she's not willing to share So when a newcomer Terra befriends the trio they start to question her sincerity and wonder if she has her own agenda *His Trophy Wife* Leigh Michaels, 2003 *Mirrors in the Deluge* Rhys Hughes, 2015-03-06 *Mirrors in the Deluge* is a collection of 32 unrelated stories that take elements from fantasy science fiction horror and other genres and give them a lateral shift Like much of Rhys work these quirky tales between them encompass parody pastiche and puns The fun as ever starts with the title of each story gently leading an unsuspecting reader into preconceived ideas and expectations expectations that are soon spun around turned on their head or other extremities and pushed in an unexpected direction Thus a saunter merely through the contents page is already a hugely entertaining experience and one more akin to savouring the hors d'oeuvres of a grand feast than consulting a list of shortcuts into a literary tome In fact the gastronomic metaphor serves us well here the courses on offer range from tantalising tuck to a gourmand's repast but never mere vittles perhaps the way to enjoy this book is to digest one story three times a day four if you're a halfling who needs second breakfast rather than trying to gorge on all the available delights and delicacies at one sitting To complete this gourmet's guide a tempting sampling of the stories must include *The Soft Landing* a unique story told from the perspective of a photon *Travels with my Antinomy* how do you solve a paradox when you're part of it *Vanity of Vanities* the internet achieves consciousness and takes over but with very different consequences than you might imagine *The Fairy and the Dinosaur* in which a fairy can't find what she wants for her picnic in the goblin market is offered cloned prehistoric plums but turns to a time travelling robot to go back to the age of the dinosaurs and eat an original plum Other titles to tempt you include *The Martian Monocles* *The Prodigal Beard* *A Dame*
