Trouble With Jesus:

The Trouble with Jesus Billy Graham Evangelistic Association, Joseph M. Stowell, 2004 *The Trouble With Jesus* Constance Hastings, 2024-07-23 For 2000 years Jesus has been both decried and leveraged His story set in a context so contrary yet strangely similar to today serves as both a troubling and affirming testament to the quest for a meaningful life purpose Many know of Jesus but perhaps not his complete story Regardless of belief Jesus signifies trouble in the context of his time and for those grappling with his teachings today Using elements of drama *The Trouble with Jesus* demonstrates why both believers and skeptics are unsettled and provoked by the one who claimed to be the Son of God Jesus championed the marginalized challenged wealth and power dynamics and upended conventional wisdom through his parables He defied the status quo and faced betrayal by corrupt religious and political authorities His greatest trouble was being crucified and his subsequent resurrection defeating death ushering in a new era and inspiring a new way of being In an edgy voice recognized by those wrestling with such existential questions whether one has never been to church or has been estranged from it or once thought they knew him *The Trouble with Jesus* confronts concepts of one of the most controversial figures whoever existed and the revolution he began [The Problem of Jesus](#) Mark Clark, 2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith *The Problem of Jesus* engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to *Pretty Woman* all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite *The Problem of Jesus* will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston **The Problem of Jesus** George Dana Boardman, 1913 **Tales of the Congaree** Edward C. L. Adams, 2014-02-01 This volume brings back into print a remarkable record of black life in the 1920s chronicled by Edward C L Adams a white physician from the area around the Congaree River in central South Carolina It reproduces Adams s major works *Congaree Sketches 1927* and *Nigger to*

Nigger 1928 two collections of tales poems and dialogues from blacks who worked his land presented in the black vernacular language They are supplemented here by a play Potee s Gal and some brief sketches of poor whites What sets Adams s tales apart from other such collections is the willingness of his black informants to share with him not only their stories of rabbits and hants but also their feelings on such taboo subjects as lynchings Jim Crow courts and chain gangs Adams retells these tales as if the blacks in them were talking only among themselves Whites do not appear in these works except as rare background figures and topics of conversation by Tad Scip and other black storytellers As Tad says We talkin to we That Adams was permitted to hear such tales at all is part of the mystery that Robert O Meally explains in his introduction The key to the mystery is Adams s ability in his life as in his works to wear both black and white masks He remained a well placed member of white society at the same time that he was something of a maverick within it His black informants therefore saw him not only as someone more likeable and trustworthy than most whites but also as someone who was in a position to help them in some way if he understood more about their lives As a writer O Meally suggests Adams was not simply an objective recorder of folklore By donning a black mask Adams was able to project attitudes and values that most whites of his place and time would have disavowed As a result his tales have a complexity and richness that make them an authentic witness to the black experience as well as a lasting contribution to American letters

Sermons from Mind and Heart Rodney Wallace Kennedy,2011-07-27 Sermons from Mind and Heart attempts to show the week by week theological work that a pastor does The combining of the intellectual with the emotional is rooted in the categories of logos and pathos from Aristotle s Rhetoric Some of the sermons have substantive theological reflections with multiple sources and are thus heavily footnoted other sermons have no footnotes This doesn t mean that any sermon lacks logos or pathos but that there is an interplay a back and forth of a pastor struggling to communicate the Gospel in a this is that way that honors both the then of Scripture and the now of contemporary life Rhetorical scholarship and methodology are important in understanding the content and the structure of the sermons What matters most is the sense that these sermons are an ongoing theological conversation between the pastor and his congregation Sermons after all are meant to be heard and they exist in the moment as authentic rhetorical acts All other versions of the sermon including this written form are only echoes of the primal sermonic experience

The Problem of Jesus Study Guide Mark Clark,2021-05-04 Look beyond the superficial understandings of Jesus to reexamine his powerful claims teachings and the

events surrounding his life The modern world portrays Jesus in many ways for many reasons But in order to see and understand the real Jesus and what the Gospels say about him we have to take a closer look and be willing to accept him on his own controversial and challenging terms In this nine session study DVD streaming video sold separately Mark Clark will guide you and your group through some of the essential aspects of the person and work of the historical Jesus of Nazareth including His parables and miracles The historical and biblical accounts of him His death and resurrection His claim to be God Based on the commentary and reflections of his book *The Problem of Jesus* Mark Clark helps us come to a truer understanding of Jesus and the often unexamined cost of following him This video based study is designed to be experienced in a group setting or any small gathering Throughout the nine sessions you ll take part in a number of activities including Watching the video teachings from Mark *The Problem of Jesus A Video Study* sold separately Group discussion questions Written responses and personal reflections Scripture readings and prayers *The Problem of Jesus Study Guide* provides a safe space to wrestle with and strengthen your faith and ultimately to deepen your discipleship to the Redeemer [Zion's Watch Tower and Herald of Christ's Presence](#) ,1921 **The Church School Journal** ,1875 [Sunday School Journal for Teachers and Young People](#) ,1888 **Evil and the Problem of Jesus** Gary Commins,2023-02-02 Evil and the Problem of Jesus approaches age old questions about God s relationship with evil theodicy from an entirely fresh angle Rather than tweaking airy abstractions it makes Jesus interactions with evil our primary source for thinking about theodicy This Christ centered approach reveals the failure of traditional theodicy to be intellectually convincing or spiritually satisfying Unlike that fossilized intellectual heritage Christodicy evil and Jesus provides original insights into divine power presence and love that help us reengage the God Jesus reveals and the evil Jesus challenges Presenting Jesus as a model for how to be fully human it crafts new ways to envision our own multidimensional relationships with God and with evil Written with both breadth and focus the book includes pastoral experiences of tragedy suffering and evil retraces philosophical multifaith and biblical insights and explores the ways the Gospels describe Jesus complex interactions with evil Evil and the Problem of Jesus asks pointed questions and offers thoughtful conceptual frameworks to help people live more faithfully compassionately wisely and justly in response to the evils around us among us and within us **Sermons to Children, Preached in Christ Church, Brighton, Containing Numerous Anecdotes and Stories** James Vaughan (Incumbent of Christ Church, Brighton.),1875 *The New-century Bible* Walter Frederic Adeney,1924 *What's the Problem with Jesus?* John Hyde,2008-12-01 In today s society people are turning their backs on Jesus in record numbers It leaves a person wondering what s the problem with Jesus In this book Hyde makes a case for the worth and importance of Jesus Christ today This book is a powerhouse for evangelism and a must read [The Book of Revelation](#) ,1957 *The Synoptic Gospels* Claude Goldsmid Montefiore,1909 **The United Presbyterian Magazine** ,1880 [Christianity Lite](#) Jimmy R. Watson,2025-10-21 Christianity is collapsing under its own weight In much of its institutional localized and individualized forms the church has

become a bastion of heavy handed dogma and unrelenting limitations Its ethos appeals primarily to those who see no other option but to get in line and stay in their lane There is no shortage of thinkers that would love to forge a new path through this malaise As a pastor who has witnessed firsthand the last thirty five years of this quandary Jimmy R Watson stumbled upon a philosophical approach an attitude that could help the church throw off its ankle weights so it can run the race of faith with freedom and flexibility After reading the late Daniel Dennett s comment about Religion Lite in Atlantic Monthly in late summer of 2023 Watson thought that just as we are being asked to leave behind a lighter carbon footprint maybe we should consider leaving behind a lighter Christian footprint From that moment on he began writing these essays all of which reflect a Christianity that is less heavy handed and more light hearted less constraining and more creative less oppressive and more open for a twenty first century church *Christian Science Sentinel* ,1908
