Trinity, Community, and Power M. Douglas Meeks, 2000 Bringing together major papers presented at the tenth Oxford Institute of Methodist Theological Studies Trinity Community and Power offers readers a multi faceted analysis of Wesley s doctrine of God Revealing Wesley s insights into the nature of God for his understanding of salvation revelation and ethics this volume helps readers understand how a doctrine of the mission of the church is rooted in Wesley s understanding of God

Power and the Powers Andrew R. Hardy, Richard Whitehouse, Dan Yarnell, 2015-10-12 Missio Dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them This book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives The authors bring their theological pastoral missionary and personal experience to their task in order to inform challenge and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world
