Waaijman,2023-12-31 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Spirituality : forms, foundations, methods** Kees WAAIJMAN, *The Birthpangs of a Discipline?* Paulus Jacobus Jozef van Geest, Gerard Pieter Freeman,2004 *Understanding New Perspectives of Spirituality* Edie Lanphar, Agata Wilczek,2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This book deals with the rapidly developing field of spirituality Although having a singularity of focus the chapters have been written by a cross cultural and international set of researchers who discuss critical issues from an interdisciplinary perspective Thus while a broad range of critical aspects emerge the chapters are threaded together by the concept of spirituality as a lone walk While alone the spiritual journey is also deeply connected to others As a deeply human experience the chapters in this book therefore reflect the prismatic viewpoints that form the understandings and experiences of the spiritual walk This book challenges the reader to start to understand the apparent ambiguity this appears to bring to researchers and practitioners Rather than a roadblock to understanding the multiple frames and facets this brings it is instead a rich field for the exploration of the human condition The Spirituality of Black Hebrew Pentecostals Fred G. Sherron,2010-01-01 The spirituality of Black Hebrew Pentecostalism is a rich tradition that has been hidden from the view of scholars With the new interest in spirituality forming the background to this title the author attempts to enlighten readers about this tradition **Pilgrimage into God** Sicco

Claus,2023-04-01 Pilgrimage into God A Study of John Main s Meditation Oriented Spirituality is a comprehensive investigation of the heritage of the Benedictine monk John Main 1926 1982 This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes Contrary to popular opinion which associates meditation uniquely with Eastern traditions Main considers meditative practice to be essential and central to Christian faith This study not only explores Main s views on practise but also looks into his theology his understanding of spiritual growth and the ideal contexts for achieving such growth It does this by critically situating Main s spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor s interpretation of the modern spiritual condition This study also aims at exploring how Main s heritage may contribute to illuminating Christian spiritual life today

The Holy Spirit and Christian Formation Diane J. **Evolving Grace** Jean-Pierre Fortin,2024-12-15 By retrieving and exploring the life and thought of groundbreaking theologians from the Patristic era to contemporary times this book unveils and describes the unique and original inner dynamism and creativity operative in western Christianity with respect to the experience and reality of grace

Apocalypticism and Mysticism in Ancient Judaism and Early Christianity John J. Collins,Pieter G. R. Villiers,Adela Yarbro Collins,2018-09-24 The nature and origin of Jewish mysticism is a controversial subject This volume explores the subject by examining both the Hebrew and Aramaic tradition Dead Sea Scrolls 1 Enoch and the Greek philosophical tradition Philo and also examines the Christian transformation of Jewish mysticism in Paul and Revelation It provides for a nuanced treatment that differentiates different strands of thought that may be considered mystical The Hebrew tradition is mythical in nature and concerned with various ways of being in the presence of God The Greek tradition allows for a greater degree of unification and participation in the divine The New Testament texts are generally closer to the Greek tradition although Greek philosophy would have a huge effect on later Christian mysticism The book is intended for scholars and advanced students of ancient Judaism and early Christianity

*David Malouf's Treatment of Spirituality in 'The Conversations at Curlow Creek'* Isabel Mund,2013-09-25 Seminar paper from the year 2013 in the subject Didactics for the subject English Literature Works grade 1 0 University of Malta English Department course The Australian Novel Postcolonial

Novel language English abstract This paper deals with David Malouf's Australian novel *The Conversations at Curlow Creek* and particularly with his treatment of spirituality. The term paper begins with an introduction followed by a discussion of the notion spirituality which can be considered in a religious and in a non religious context. After the definition and discussion of the phenomena spirit and spirituality the paper analyses how David Malouf treats these phenomena particularly spirituality in his novel *The Conversations at Curlow Creek* with particular reference to three passages which exemplify his treatment of spirituality. Indeed spirituality is a recurrent theme in this novel and therefore this paper discusses spirituality in a religious and non religious sense as well as the spiritual link between the protagonists. Diese Hausarbeit beschäftigt sich mit David Maloufs australischem Roman *The Conversations at Curlow Creek* und besonders mit seiner Behandlung des Phänomens Spiritualität. Die Hausarbeit beginnt mit einer Einleitung und diskutiert anschließend den Begriff Geist und Spiritualität wobei letzterer sowohl in einem religiösen als auch in einem nicht religiösen Kontext betrachtet werden kann. Danach wird analysiert wie David Malouf die Phänomene Geist und Spiritualität in seinem Roman *The Conversations at Curlow Creek* behandelt. Dabei wird besonders auf drei Passagen Bezug genommen die seine differenzierte Behandlung des Phänomens Spiritualität verdeutlichen und veranschaulichen. Tatsächlich ist Spiritualität in Maloufs Roman durchgängig ein Thema worauf immer wieder Bezug genommen oder angespielt wird da es eng mit der Thematik dem Kampf zwischen Leben, Mord und Tod verbunden ist. Deshalb diskutiert und analysiert diese Arbeit Spiritualität in einem religiösen sowie einem nicht religiösen Kontext und analysiert auch die spirituelle Verbindung zwischen den beiden Protagonisten. Hiyang, 2005 *One Text, a Thousand Methods*. Ulrich Berges, Patrick Chatelion Counet, 2005. In this essay collection the authors describe the trend toward synchronic methods in biblical exegesis or interpreting biblical texts as the result of a literary rather than a historical process and discuss and apply fifteen specific methods to interpreting Old and New Testament texts. *Spirituality in Ministerial Formation* Andrew D. Mayes, 2009. In recent years theological education and training for both lay and ordained ministry have been reconceived in terms of ministerial formation. But what is the origin of this paradigm and what difference does it actually make to both teachers and learners. This study not only addresses these questions but also offering perspectives from the Eastern Christian traditions and from empirical research uncovers a dynamic role for prayer in the learning process. It explores how different types of prayer have the potential to be a significant integrative cognitive healing empowering influence in ministerial formation and to enable a transformative process of deep learning. It will prove not only to be a reference book for all practitioners in the field of theological education but also a practical workbook for teachers and students as its questions for individual or group use challenge present practice and open up new possibilities for the healing of the historic divide between theology and spirituality. The book identifies elements for the development of a rich theology of ministerial formation which will enhance and energize the practice of theological education. Seeking to re-balance training and formation it invites a rethink of current functionalist approaches to professionalized lay and ordained ministry in terms of

discovering creative and surprising functions of spirituality within the learning process The book thus has implications for the teaching of spirituality highlighting the need to articulate an integrated spirituality of education It also addresses important aspects of the Church's mission in society and the imperative of resourcing clergy and lay ministers for their engagement with the rising interest in spirituality in today's culture Book Jacket

**Augustinianism** John D. Green, 2007 When Tertullian proclaimed What has Athens to do with Jerusalem Our instruction comes from the porch of Solomon his North African compatriot St Augustine would not have disagreed Nevertheless Augustine travelled to the porch of Solomon by way of Athens In doing so he demonstrated how they were related and produced a body of teaching which was of seminal importance to the understanding of what was meant by Christian faith Augustinianism defies definition because it is a symbol which continues to accumulate meaning as time passes This is a study of Augustinianism as an evolved process of spiritual transvaluation as Augustine's thought was appropriated by spiritual masters in the medieval period namely St Gregory the Great's pastoral transvaluation William of St Thierry's mystical transvaluation and Walter Hilton's christo-centric transvaluation
