For Her: My Get Relief from Stress Now Planner Faithaline Hippolyte, 2020-03-03 A planner for her to help women focus each week on alleviating stress in addition to recording their appointments and to do lists daily Stress is a feeling we get when we are struggling to cope with life events and circumstances Stress can affect us both physically and psychologically Everyone goes through stress in varying degrees but it's up to each individual to decide how they will deal with it The good news is that we can work toward our emotional healing in easy steps keeping things simple while being consistent in our efforts Journaling is an effective way of getting in touch with your emotions making sense of your feelings and progressing along that path where you feel your life is getting better and better Research has also shown that writing by hand can be more beneficial than typing on a computer For example writing by hand helps you think more thoroughly about what you are writing Also since handwriting is slower this helps your brain to engage with the information better In addition to space for recording your appointments and to do lists every day for the next 12 weeks the For her My Get Relief From Stress Now Planner offers the opportunity to plan out your relief from stress goals at the beginning of each week along with space for recording your successes and lessons learned at the end of each week because you deserve it Furthermore its 6x9 inch size makes it convenient for you to drop it in your bag or purse and carry it with you The For her My Get Relief From Stress Now Planner makes a wonderful gift for yourself or someone you love And be sure to check out its other companion books For her My Get Relief From Stress Now Journal For her My Get Relief From Stress Now Prayer Journal For her My Get Relief From Stress Now Notebook Scroll up and grab your copy today

Time Management for Event Planners Judy Allen, 2009-12-09 Event planning never stops This industry goes 24 7 365 days a year Planners work evenings weekends and holidays often far away from their home base organizing and running events that simply must go on and go smoothly Missing a critical deadline is not an option in the event planning field Time management errors can cost a company a potential sale lose them an existing customer and damage their professional reputation Burnout and chaos are real risks in this hectic world of deadlines

and multiple projects Planners often find themselves working down to the wire against crushing deadlines and a mountain of obstacles that impede their progress Too frequently there is not enough time to get the job done properly let alone to spend on personal or professional pursuits And for many involved in the event planning field there is the extra dimension of travel to factor in juggling multiple projects on a daily basis across a multitude of time zones For smooth event implementation and for business success it is essential that planners know how to manage their own time as well as they manage an event Time Management for Event Planners teaches readers how to successfully manage their workload and do what matters most when it matters most Analyze and prioritize tasks Structure your workload and your day for maximum performance Identify red flag activities that hinder productivity Reduce stress producing time crunches Identify when extra help is needed as well as how to delegate outsource and even partner with suppliers in crunch periods Work with rather than against deadlines Save time using technology Manage multiple projects even in multiple time zones Balance your personal and professional life Whether you are an event planner a hospitality professional in public relations or other related fields Time Management for Event Planners offers time saving tips techniques examples and expert insight that will help you get time on your side
