Telling You:

I Have a Story to Tell You Seemah C. Berson, 2010-08-04 I Have a Story to Tell You is about Eastern European Jewish immigrants living in Montreal Toronto and Winnipeg in the early twentieth century The stories encompass their travels and travails on leaving home and their struggles in the sweatshops and factories of the garment industry in Canada Basing her work on extensive interviews Seemah Berson recreates these immigrants stories about their lives in the Old Country and the hardship of finding work in Canada and she tells how many of these newcomers ended up in the needle trades Revealing a fervent sense of socialist ideology acquired in the crucible of the Russian Revolution the stories tell of the influence of Jewish culture and traditions of personal and organized fights against exploitation and of struggles to establish unions for better working conditions This book is a wonderful resource for teachers of Canadian Jewish and social history as well as auto biography and cultural studies The simplicity of the language transcribed from oral reports makes this work accessible to anyone who enjoys a good story
