Set in the near future after a global pandemic RESONANCE follows one man s journey to find meaning The world has turned increasingly to a sophisticated form of technology in hopes humanity can be saved An encounter with a mysterious otherworldly object awakens dormant abilities in Sage and his friends that help them rediscover a spiritual side of life that has been stifled by their technology dependent existence Together they seek to share what they ve learned and free others from their lives of tedium and drudgery However this also places Sage and his companions in direct opposition to the corporation that seeks to dominate their humanity through an advanced form of artificial intelligence Those in control will do whatever it takes to stop them      Forest and Stream ,1924      A Tent of Blue Willy Goldman,1946      MacRae's Blue Book and Hendricks' Commercial Register ,1931
