The Flying Carpetbagger II Patricia Eisenhauer, Capt. Ike Eisenhauer, L. Bar Eisenhauer, 2015-07-30 Fly with Captain Ike through his Navy career Roll the beautiful 707 over the ocean and then hijack her back to the United States for our government You will live these adventures with Captain Ike as he wrote about them or in many cases as told by his crew members or family This unique individual believed in sharing what he had learned often the hard way in order to save lives perhaps yours and mine Ike was most at home in the air He was welcomed throughout the world sometimes with a weapon pointed in his direction He took it all in stride and lived to tell about it Flights to Nigeria Libya Malta South America and Switzerland each involved an unforgettable story He was possibly the last swashbuckler to fly the world and though he denied it often Ike loved to be in the catbird seat on a journey
