## **The Forgotten Man:**

*The Forgotten Man* Amity Shlaes, 2009-10-13 The Great Depression was one of the most difficult periods in American History Conventional interpretation holds that Roosevelt's New Deal array of government programs along with the onset of World War II helped to save the country However Amity Shlaes challenges this interpretation in *The Forgotten Man* Shlaes argues that as heroic as FDR was his economic planning often made things worse and probably made the Depression last even longer The end of the Depression was brought about more by the economy's natural tendency to correct itself along with the character and driving spirit of the American people Featuring expert economic analysis and firsthand accounts of life during the Depression *The Forgotten Man* is a much needed reevaluation of a decade that engendered social economic and political changes that still affect us today Amity Shlaes is a visiting senior fellow at the Council on Foreign Relations and a syndicated columnist at Bloomberg She has written for the Financial Times and the Wall Street Journal where she was an editorial board member as well as for The New Yorker Fortune National Review The New Republic and Foreign Affairs Shlaes is the author of *The Greedy Hand* She lives in New York Were John Kenneth Galbraith and Milton Friedman to spend a century or two reconciling their positions so as to arrive at a clear view of the Great Depression this would be it Mark Helprin *"The Forgotten Man"* George Benjamin Gillespie, 1937 *The Forgotten Man, Rediscovered After Fifty Years*, 18?? **The Forgotten Man** William Graham Sumner, 1919 *The Forgotten Man, and Other Essays...* William Graham Sumner, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **"The Forgotten Man"** George B. **Other Essays (Classic Reprint)** William Graham Sumner,2015-07-03 Excerpt from The Forgotten Man and Other Essays  
With the present collection the publication of Sumner s Essays comes to an end The original project of publishers and editor contemplated but a single volume War and Other Essays and they accordingly equipped that volume with a bibliography which was as complete as they then could make it But when later on other materials came to be known about and especially after the discovery of a number of unpublished manuscripts the encouraging reception accorded to the first venture led us to publish a second and then a third collection Earth Hunger and Other Essays and The Challenge of Facts and Other Essays It was during the preparation of the latter of these now some five years ago that the late Professor Callender deplored to the editor the omission of certain of Sumner s essays in political economy in particular those dealing with free trade and sound money And the reviewers of preceding collections had reminded us rightly enough that there should be a fuller bibliography and also an index covering all the essays In this last volume we have striven to meet these several suggestions and criticisms And it is now the purpose of the publishers to form of these singly issued volumes a set of four numbered in the order of their issue About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
