The Four Hundred:

The Four Hundred Songs of War and Wisdom George L. Hart, Hank Heifetz, 1999 Two prominent translators present the first complete English language edition of one of India's greatest works of classical literature the Purananuru This anthology of four hundred poems by more than 150 poets between the first and third centuries C E delves into living and dying despair love poverty and the changing nature of existence The New Testament ... with Two Thousand Four Hundred Questions for Examination on the Four Gospels and the Acts of the Apostles. By C. & G. Eves , 1854 **The Journal of Hellenic Studies** , 1913 *The Orators and Their Treatment of the Recent Past* Aggelos Kapellos, 2022-12-05 This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results Twenty eight scholars have written chapters to this end dealing with a wide range of themes in terms both of contents and of chronology from the fifth to the fourth century B C Each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the Attic orators and covers the three species of Attic oratory Chapters that treat other issues collectively are also included The common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of Athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past This book aims at advanced students and professional scholars This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results **Thucydides, Pericles, and the Idea of Athens in the Peloponnesian War** Martha Taylor, 2009-10-26 Thucydides Pericles and the Idea of Athens in the Peloponnesian War is the first comprehensive study of Thucydides presentation of Pericles radical redefinition of the city of Athens during the Peloponnesian War Martha Taylor argues that Thucydides subtly critiques Pericles vision of Athens as a city divorced from the territory of Attica and focused instead on the sea and the empire Thucydides shows that Pericles reconceptualization of the city led the Athenians both to Melos and to Sicily Toward the end of his work Thucydides demonstrates that flexible thinking about the city exacerbated the Athenians civil war Providing a thorough critique and analysis of Thucydides neglected book 8 Taylor shows that Thucydides praises political compromise centered around the traditional city in Attica In doing so he implicitly censures both Pericles and the Athenian imperial project itself The New Zealand Official Year-book New Zealand. Department of Statistics, 1918 **The American Renaissance Reconsidered** Walter Benn Michaels, Donald E. Pease, 1989-09 The term American Renaissance designates a

period in our nation's history when the literary classics appeared works original enough to mark a beginning for America's literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation's secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America's secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman *Rethinking the 21st Century* Doctor Amy Eckert, Laura Sjoberg, 2013-07-04 Rethinking the 21st Century brings much needed context and perspective to the security problems we face today In recent years the Bush Doctrine that the security threats we now face are entirely unprecedented has echoed around the world Global security and stability is now challenged not only by states and nuclear war but by insurgency disease environmental degradation and military privatisation Yet this creates a deep sense of disconnect in the way we perceive politics and can be dangerously stark and ahistorical The chapters here show that far from being a clean break the new problems faced today might actually have old solutions What can Locke tell us about terrorists What does Bentham have to say about sanctions What are the ethics of outsourcing war to private companies By looking back to decades and even centuries of ethical analysis and political theory this book provides fascinating insight into all these questions The Ocean of Story Somadeva Bhaṭṭa, Norman Mosley Penzer, 1925 **Cases Argued and Decided in the Supreme Court of Mississippi** Mississippi. Supreme Court, 1917 **The Kodak**, 1917 **A History of the Inquisition of the Middle Ages** Henry Charles Lea, 1888 **The International Quarterly**, 1904 **Report of the Board of Managers of the National Home for Disabled Volunteer Soldiers for the Fiscal Year Ended June 30, 1895**, 1896 The New York Journal of Gynaecology and Obstetrics, 1894 Journal of the Senate of the Commonwealth of Pennsylvania Pennsylvania. General Assembly. Senate, 1901 *Probate Records of the Province of New Hampshire ... 1635-1771* New Hampshire. Probate Court, 1915 Report of the President of Yale University and of the Deans and Directors of Its Several Departments for the Academic Year ... Yale University, 1920 **The Southern Educational Journal**, 1897 **Acts of the General Assembly of the State of Georgia** Georgia, 1897
