and technology paying particular attention to their significance to queer and black freedom Keeling reads selected works such as Sun Ra's 1972 film *Space is the Place* and the 2005 film *The Aggressives* to juxtapose the Afrofuturist tradition of speculative imagination with the similar speculations of corporate and financial institutions In connecting a queer cinematic reordering of time with the new possibilities technology offers Keeling thinks with and through a vibrant conception of the imagination as a gateway to queer times and black futures and the previously unimagined spaces that they can conjure
