How to Prove There Is a God Mortimer Adler, 2011-12-10 One of the great tasks of Mortimer Adler's illustrious life was his search for a watertight proof of the existence of God. Adler believed that his search had been successful. Adler spent years studying the classic proofs of God's existence, especially Aquinas's Five Ways, and found shortcomings in all of them as conventionally understood. But he thought that some of them contained ideas which, if properly developed, could be improved, and he continued to search for a satisfying and logically unassailable proof. Toward the end of the 1970s he believed he had arrived at such a proof, which he presented in his historic work *How to Think about God* (1980). In the writings assembled in *How to Prove There Is a God*, Adler gives us his approach to the question of God's existence in fresh and popular form. He defends his position against critics, both believers and skeptics. The book includes a transcript of one of Adler's appearances on William Buckley's *Firing Line*, Adler's revealing interview with Edward W. Wakin, the exchange of views on natural theology between Adler and Owen Gingerich, and John Cramer's eloquent argument that the trend of modern cosmology supports Adler's early struggles with the question of God's existence.

There Is No Sea Ray Deaton, 2023-09-11 About the Book: The present Heaven, of which we all speak, is and will be different from the New Heaven created after the tribulation and the millennium. The New Heaven will be created at the same time as the New Earth and will be for an eternity. Hell, by contrast, was created at the beginning of time as a place of torment and anguish for the habitation of fallen angels and those who reject the Love of God. It is also called The Lake of Fire. In *There Is No Sea*, each will be described in as much detail as possible according to the Bible. The question will be who will inhabit each and how each will be accessed. About the Author: Ray Deaton was born in 1939 and raised during the War years. He left his parents' home at the age of eighteen, returning only for brief visits as he traveled to various countries and across this great nation. Deaton was born again at the age of thirty-nine when he became the child of The Living GOD. With a minimum knowledge of his new life, Deaton studied the Bible and became convinced of its unerring content. Deaton is first, last, and always a Christian. He maintains a membership in a church so he may assemble with believers and hear a word from God.
