**Trinity, Time, and Church** Colin E. Gunton, 2011-01-01 With the publication of his two volume Systematic Theology Robert W Jenson has established himself as a distinctive voice in Christian theology In Trinity Time and Church leading scholars from around the world and from diverse faith traditions critically engage the major themes of Jenson s thought These rich essays both celebrate Jenson s theological achievement and probe what some of the authors regard as the more contentious of his contributions

**"Understanding" the Trinity** Will Daniels, 2009-02-26 Understanding the Trinity is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God s approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1 8 9 Understanding the Trinity Three Persons vs Three Manifestations will bring us back to the original gospel message the oneness of God and the power of God s name in the face of Jesus Christ Deuteronomy 6 4 Luke 2 11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of God Church read this book he said This book was so fascinating I couldn t put it down When Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job Author s Note You have in your possession the true gospel of Jesus Christ Don t let the birds steal your seeds Matthew 13 3 13 KJV

**Trinity** Dr. Jason Byassee, 2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit s intoxication of the church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don t know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can t understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee s wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith Rev Dr Andrew C Thompson Assistant

Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of *Reluctant Pilgrim Silence and Common Prayer A Liturgy for Ordinary Radicals* The Outlook ,1908 *Traces of the Trinity* Peter J. Leithart,2015-03-10 As the Triune God created the world so creation bears the signs of its Creator This evocative book by an influential Christian thinker explores the pattern of mutual indwelling that characterizes the creation at every level *Traces of the Trinity* appear in myriad ways in everyday life from our relations with the world and our relationships with others to sexuality time language music ethics and logic This small book with a big idea the Trinity as the Christian theory of everything changes the way we view and think about the world and places demands on the way we live together in community Free Churches and the Body of Christ Jeffrey W. Cary,2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon s groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time **The Church Times** ,1901 **Holy Trinity, Perfect Community** Leonardo Boff,2000 Why be concerned with the Trinity What does it mean to say I believe in the Father the Son and the Holy Spirit In this accessible work Leonardo Boff takes up the ancient doctrine of the Trinity showing its meaning and relevance for Christian faith today In a series of short chapters Boff unpacks the mysteries of the Trinity spelling out the difference it makes to believe that God is communion rather than solitude Instead of an image of God as solitary ruler standing aloof above a static universe belief in the Trinity means that at the root of everything there is movement there is an eternal process of life of outward movement and love While comprehensive in his treatment of the theological and anthropological dimensions of the Trinity Boff is especially interested in the social implications In the Trinity

we find a program of liberation to the infinite degree difference and distinction equality and perfect communion The Holy Trinity is among other things the image of the perfect community At the same time in the Trinity we find the best image of the church not a hierarchy of power but a community of diverse gifts and functions Thus comprehension of the Trinity in which God comes out to meet us in the full realization of our yearnings empowers our efforts for a better world and a more faithful church Book jacket Jacket

**Jesus and the Father** Kevin N. Giles,2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In Jesus and the Father Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity

Millard Erickson author Christian Theology By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University
