Under the Eagle Samuel Holiday, Robert S. McPherson, 2013-08-13 Samuel Holiday was one of a small group of Navajo men enlisted by the Marine Corps during World War II to use their native language to transmit secret communications on the battlefield Based on extensive interviews with Robert S McPherson Under the Eagle is Holiday s vivid account of his own story It is the only book length oral history of a Navajo code talker in which the narrator relates his experiences in his own voice and words Under the Eagle carries the reader from Holiday s childhood years in rural Monument Valley Utah into the world of the United States s Pacific campaign against Japan to such places as Kwajalein Saipan Tinian and Iwo Jima Central to Holiday s story is his Navajo worldview

which shapes how he views his upbringing in Utah his time at an Indian boarding school and his experiences during World War II Holiday s story coupled with historical and cultural commentary by McPherson shows how traditional Navajo practices gave strength and healing to soldiers facing danger and hardship and to veterans during their difficult readjustment to life after the war The Navajo code talkers have become famous in recent years through books and movies that have dramatized their remarkable story Their wartime achievements are also a source of national pride for the Navajos And yet as McPherson explains Holiday s own experience was as much mental and spiritual as it was physical This decorated marine served under the eagle not only as a soldier but also as a Navajo man deeply aware of his cultural obligations
