**Understanding Anger in the Church** Daniel G. Bagby,1979-01-01 *Never Call Them Jerks* Arthur Paul Boers,1999-12-31 No church is immune to the problems that can arise when parishioners behave in difficult ways Responding to such situations with self awareness and in a manner true to one s faith tradition makes the difference between peace and disaster In this must read book Boers shows how a better understanding of difficult behavior can help congregational leaders avoid the trap of labeling such parishioners and exercise self care when the going gets rough *The Heart of Anger* Christopher Ash,Steve Midgley,2021-03-02 How should Christians understand anger evaluate it and respond for good We all struggle with anger at times Our plans suddenly fall through we lose a prized possession or our reputation is called into question More often than not when anger knocks at the doors of our hearts we easily allow it to take over But what if getting to the heart of our anger also reveals the way to transform it Christopher Ash and Steve Midgley address this question by bringing to bear what the whole Bible has to say about sinful anger revealing that anger is the sinful response when something we value more than God is taken away or threatened They reflect on biblical portraits of human anger God s righteous anger and how only the gospel of Jesus Christ brings true freedom transforming a heart of anger into a heart filled with the love of God *The Angry Christian* Andrew D. Lester,2003-01-01 In this work respected scholar Andrew Lester discusses and incorporates the newest behavioral research models contemporary biblical and theological scholarship constructivist philosophy and narrative theory into a comprehensive pastoral theology of anger In revisiting through the lens of theological anthropology the very subject that brought him to the forefront of scholarship in pastoral care Lester presents engaging new material and innovative new methods of interventions for dealing with this often confusing human emotion
