Understanding My Church:

Understanding My Church Samuel J. Stoesz, 1983 *A. B. Simpson* Michael G. Yount, 2016-10-25 This volume looks at the Third Great Awakening one of the most exciting times in the history of American Christianity A B Simpson's impact on the Third Great Awakening and his influence on the modern church is examined Emphasis is placed on the denomination he founded the Christian and Missionary Alliance Simpson's message the Fourfold Gospel is also explored The Fourfold Gospel is Christ as the Christian's Savior Sanctifier Healer and Coming King The denomination Simpson founded took this message not only to North America but also throughout the world Five movements made up the Third Great Awakening and Simpson's contribution to each one is examined These five movements include Evangelizing Holiness Movement Healing Movement Pre millennial Movement and Urban and Worldwide Outreach As this book concludes with a look at Simpson's influence on the church today we are reminded that as the church goes through the twenty first century the Fourfold Gospel continues to be proclaimed just as it was during the Third Great Awakening Humility, Pride, and Christian Virtue Theory Kent Dunnington, 2018-11-30 Humility Pride and Christian Virtue Theory proposes an account of humility that relies on the most radical Christian sayings about humility especially those found in Augustine and the early monastic tradition It argues that this was the view of humility that put Christian moral thought into decisive conflict with the best Greco Roman moral thought This radical Christian account of humility has been forgotten amidst contemporary efforts to clarify and retrieve the virtue of humility for secular life Kent Dunnington shows how humility was repurposed during the early modern era particularly in the thought of Hobbes Hume and Kant to better serve the economic and social needs of the emerging modern state This repurposed humility insisted on a role for proper pride alongside humility as a necessary constituent of self esteem and a necessary motive of consistent moral action over time Contemporary philosophical accounts of humility continue this emphasis on proper pride as a counterbalance to humility By contrast radical Christian humility proscribes pride altogether Dunnington demonstrates how such a radical view need not give rise to vices of humility such as servility and pusillanimity nor need such a view fall prey to feminist critiques of humility But the view of humility set forth makes little sense abstracted from a specific set of doctrinal commitments peculiar to Christianity This study argues that this is a strength rather than a weakness of the account since it displays how Christianity matters for the shape of the moral life Communication and Identity in the Classroom Daniel S. Strasser, 2020-12-30 This collection edited by Daniel S Strasser was unearthed from the demand for more inclusive and expansive dialogues on intersectional identities ethnicity neuro diversity physical ability religion sexual orientation class and gender performance in academia The autoethnographic and narrative accounts within Communication and Identity in the Classroom Intersectional Perspectives of Critical Pedagogy offer personal experiential perspectives on the power of identity to influence educators in classroom and mentoring spaces The multiple perspectives offered here promote dialogue about how personal experience provides the ground upon which we build more dynamic

relationships and communities The contributors experiences offer examples for a more expansive understanding of privilege oppression and identity These seeds for conversation nourish discourses that build new communicative bridges between educators and students as we prepare to face the next interaction class and challenges and opportunity for resilience This collection invites educators to be critical of their bodies of their politics of their intersecting identities and acknowledge in words and actions that our bodies are political Throughout this collection the contributors expand upon theories and methods of critical communication scholarship radical love and intersectionality using their embodied pedagogical experiences to ground the scholarship

Lindemann,2023-02-16 The Church is rapidly dying and much of the clergy in recent times have been doing it more harm than good People are fleeing from the Churches as they seek a religious perspective that fits a modern worldview Should we revive this old Church and try to save it from its own demise What exactly is The Church and who or which of the many religions is the official caretaker of it The Christian religions of the world have done their fair share of damage to themselves and to the world but in the bigger picture they have done more good than damage Saving the Church is probably worth our collective efforts because the Churches are perhaps the most charitable group of organizations that existed throughout history and even up to today The main reason that the Churches are in the rough condition that they are today is due to a lack of understanding by clergy and congregation We can overcome this dark era of the Church and revive it only through Understanding The Church Understanding The Church will help you in Bible study or even to simply better understand the Church But most importantly Understanding The Church Upon This Rock I Will Build My Church will help to revive this dying patient *Popular Commentary of the Bible: Old Testament : the poetical and the prophetic books* Paul Edward Kretzmann,1922 *Power of Forgiveness* Dr. David Green,2022-04-27 There is no available information at this time Author will provide once available **An American Commentary on the New Testament** Alvah Hovey,1887 *Reality* ,1925
