**Sara Bubb, Peter Earley**

## **Understanding Staff Development:**

**Understanding Staff Development (Routledge Revivals)** Graham Webb, 2013-01-17 First published in 1996 this book charts the philosophical landscape of staff development at a time when the subject of quality in university teaching and learning was under examination Graham Webb considers three main issues in his research He focuses on what the basis for educational and staff development actually is and looks at the weaknesses of the then current practices as well as deliberating over the future of informed staff development This book will be of interest to staff developers of all kinds and more generally to anyone concerned with education and human development

**Understanding Staff Development** Graham Webb, 2012-11-06 First published in 1996 this book charts the philosophical landscape of staff development at a time when the subject of quality in university teaching and learning was under examination Graham Webb considers three main issues in his research He focuses on what the basis for educational and staff development actually is and looks at the weaknesses of the then current practices as well as deliberating over the future of informed staff development This book will be of interest to staff developers of all kinds and more generally to anyone concerned with education and human development

**Helping Staff Develop in Schools** Sara Bubb, Peter Earley, 2010-01-21 Great staff make great schools and by choosing your staff carefully and helping them to develop you will make a significant impact on the lives of the young people in your care The school workforce isn't only teachers these days and good staff development must take into account everybody working in the setting As a practical guide to developing your staff this book offers an inspirational and exciting view of the transformative power of highly motivated personnel It summarizes the most recent research that sets staff development in context and then provides examples of good practice and successful ideas from a range of schools colleges and local authorities The authors address practical considerations as well as management and leadership implications to help devise strategies for developing the school workforce in order to become more learning centred and student focused Topics covered include why staff development matters leading staff development being strategic finding time for staff development identifying needs and planning for impact evaluating the impact of staff development With an emphasis on practical and research based perspectives this book offers tried and tested strategies for successful and rewarding staff development that most importantly can contribute to improving student outcomes This book is particularly relevant to those responsible for leading and managing staff development in schools colleges and at local authority level It is also useful for anyone working towards higher degrees in Education Leadership and Management Mentoring Coaching and the new qualifications for leaders of Continuing Professional Development CPD and the Masters in Teaching and Learning MTL Sara Bubb is involved in many aspects of staff development leads the national Advanced Skills Teachers AST network and lectures and researches at the Institute of Education University of London Peter Earley is Professor of Educational Leadership Management at the London Centre for Leadership in Learning Institute of Education University of London

*Hearings on Reauthorization of the*

*Vocational Education Act of 1963* United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education,1981      Understanding Career Counselling Jennifer M Kidd,2006-03-14

This is an exciting book written in clear accessible style It s an informative guide for anyone wishing to explore career counselling as a topic and process Professional Manager This is an excellent book practical yet scholarly It is a must read for anyone who wants to understand how to facilitate the career development of other people in formal or informal settings John Arnold Professor of Organisational Behaviour Loughborough University At a time when the career counselling profession has been under some pressure in the UK it is good to have an up to date text which cogently outlines the strong base of theory research and practice upon which this professional activity is built Jenny Kidd s lucid text will provide an invaluable resource for new entrants to career counselling and related fields as well as for established practitioners Professor Tony Watts Senior Fellow and Life President National Institute for Careers Education and Counselling Cambridge *Understanding Career Counselling* explores the theory research and practice of career counselling from a British perspective and brings them together in one concise volume The book addresses exactly what is meant by the term career in the 21st century and the implications this has for those working with clients at different stages of their career This book is unique in that it clearly relates career theories to career counselling which is often an unclear area for trainees Divided into two clear parts the first provides a comprehensive account of theories of career development and career counselling and their implications for practice Taking a critical approach it also shows how research informs our understanding of the field In the second part career counselling skills tools and techniques are described including the use of assessment tools and the internet The book also covers ethical issues and evaluation *Understanding Career Counselling* is invaluable for students undergoing training in career guidance career counselling outplacement counselling or career coaching but it will also be a use to students on occupational psychology and human resource management courses In addition experienced career practitioners wishing to find out more about recent developments within their profession Jennifer Kidd is a Reader in Organizational Psychology and Course Director of the MSc Career Management and Counselling programme at Birkbeck University of London      **Public Service Training Notes** United States.
