Lifetime's Non-Ordinary Events Richard F. Ward,2015-06-05 In about the year 1980 I began recording the non ordinary events people met and places visited in my life Eventually I looked back into my past life to recount past events people and places which came to mind for the earlier years As subsequent years rolled by I had assembled a list of 172 items which I consider unusual or non ordinary in my lifetime My next step in the evolution of this work was to elaborate on each of the parts to expand on each of the one or two line statements When assembled it dawned on me that it provided an autobiography albeit different from a usual biography of my life Hopefully the treatment will render the human story more entertaining to the average reader Having reached the middle of my octogenarian decade perhaps a better perspective can thus be obtained The reader s entertainment is the effect I wish to impart If this should ensue the effort shall not have been merely self aggrandizement Handbook of Research on the Role of Tourism in Achieving Sustainable Development Goals
