peace in a town full of gods monsters and magical beings Lately all the good days have gone from bad to worse Luckily Delaney has a plan to steal away with her fianc Ryder Bailey for a nice relaxing weekend together Her getaway plans come to a screeching halt when Delaney discovers Crow s garage sale is selling cursed magical items to anyone who wants one and everyone wants one Delaney only has a few hours to hunt down the cursed objects before a massive winter storm barrels into town and her vacation escape becomes impossible But Delaney isn t going down that easily Neither rain curse nor killer sea monster or love sick Bigfoot will keep her from getting three blissful days alone with the man she loves hopefully far far away from Ordinary Oregon

**Rock Paper Scissors** Devon Monk,2019-04-11 The Reed sisters could have normal lives if the gods and demons and other supernaturals would mind their own business But in a town like Ordinary nothing is normal Not even the holidays Jean Reed s sudden curse of gnomes has her scrambling for answers and the impending visit from Death isn t helping But when she discovers her boyfriend s keeping a world changing secret Halloween s treats are about to get much trickier Delaney Reed was not expecting the dragon to follow her home Nor was she expecting her boyfriend to be stranded in a blizzard What she was expecting was a holiday both merry and bright And she s not about to let a double crossing demon take that away from her Myra Reed hates Valentine s Day Fortunately she only has to deal with a stalker a crossroads demon and one slightly disastrous speed dating event before it s over Unfortunately she might be falling in love with the demon who stole her sister s soul

**Works** Francis Bacon,1883 **Beyond Mars: Crimson Fleet** R. G. Risch,2008-05 In the 22nd century a nameless evil plots the eventual extermination of all mankind Hidden within the depths of a shadow government it s acts of growing terror only hint at the monstrous things to come But one force stands in its way to compete domination the Martian Fleet and its will to fight *The Theosophist* ,1913 **The School of Sympathy** Julian Biddulph Arnold,1920 The Judge ,1920 **Wayward Moon** Devon Monk,2021-11-15 A deal with a god comes with deadly strings attached Lovers Brogan and Lula Gauge have traveled the haunted byways of Route 66 for almost a hundred years Their deal with the god Cupid has brought Brogan back to life but the return to the living world hasn t been easy for him What s more that deal left them deeply indebted to the god Now the god is demanding his due To honor their side of the deal Brogan and Lula must find what Cupid wants found The god hasn t given them much to go on other than find the rabbit that is not a rabbit Do the right thing If the right thing involves facing down feuding werewolves banishing vengeful ghosts and venturing into the deep ancient caverns beneath the Missouri hills then Brogan and Lula might be on the right path But lurking deep within those caverns is an evil older than the gods It is clever It is waiting It is hungry A Little Piece of England John Jackson,2014-03 A Little Piece of England tells the tale of how the author s family living in a sliver of countryside in London s commuter belt came over some ten years to make itself in its spare time self sufficient in its requirements of milk meat eggs vegetables and some fruit The book can be read in two ways One way is for those particularly urban folk who are interested in growing their own food or contemplating a life style founded on their own smallholding In this way it is a book for those who wonder about the practicalities of living in a self contained permacultural way and for those who dream of making their own bread or even perhaps of eating their own mutton stewed with their own onions and carrots The other way is for those perhaps particularly anglophiles in other lands who are in harmony with the stubborn Saxon streak which runs strongly in the character and culture of the English The streak which showed itself when London was fire bombed night after night in the early 1940s and also when John s self taught grandfather told his children You don t know what you can do until you try to do it *Ten Worlds* Ken Crosswell,2007 Examines the characteristics of the
