The startling true story  
of the first great step  
toward human immortality

# WE FROZE THE FIRST MAN

by Robert F. Nelson  
as told to Sandra Stanley

with an introduction by Professor R. C. W. Ettinger

# We Froze The First Man

**Robert F. Nelson**

## **We Froze The First Man:**

**Freezing People Is (Not) Easy** Bob Nelson, Kenneth Bly, Sally Magana, 2014-03-18 Bob Nelson was no ordinary T V repairman One day he discovered a book that ultimately changed his entire life trajectory *The Prospect of Immortality* by Professor Robert Ettinger From it he learned about cryonics a process in which the body temperature is lowered during the beginning of the dying process to keep the brain intact so that those frozen could potentially be reanimated in the future A world of possibilities unfolded for Nelson as he relentlessly pursued cryonics and became the founder and President of the Cryonics Society of California Working in coalition with a biophysicist in 1967 Nelson orchestrated the freezing of Dr James Bedford the first human to be placed in cryonic suspension Soon thereafter he began freezing others who sought his help obtaining special capsules and an underground vault Underfunded Nelson struggled desperately often dipping into his own savings and taking extraordinary measures to maintain his patients in a frozen state His fascinating memoir reveals his irrepressible passion for life and chronicles the complicated circumstances that comprised his adventures in cryonics **We Froze the First Man** Robert F. Nelson, 1968

**A Brief History of Bad Medicine** Ian Schott, Robert Youngson, 2012-01-19 A doctor removes the normal healthy side of a patient's brain instead of the malignant tumor A man whose leg is scheduled for amputation wakes up to find his healthy leg removed These recent examples are part of a history of medical disasters and embarrassments as old as the profession itself In *Brief History of Bad Medicine* Robert M Youngson and Ian Schott have written the definitive account of medical mishap in modern and not so modern times From famous quacks to curious forms of sexual healing from blunders with the brain to drugs worse than the diseases they are intended to treat the book reveals shamefully dangerous doctors human guinea pigs and the legendary surgeon who was himself a craven morphine addict Exploring the line between the comical and the tragic the honest mistake and the intentional crime *Brief History of Bad Medicine* illustrates once and for all that you can't always trust the people in white coats

**365 Days of Cocktails** Difford's Guide, 2015-11-24 Be inspired 365 days a year No two days of the year will ever be the same again with this book you can create a brand new cocktail every day We've traveled the globe and pulled together a compendium of quirky happenings anniversaries and even some traditional events to raise a glass to and toast From our vast knowledge of the cocktail world we've paired each day with an appropriate cocktail Celebrate Walt Whitman's birthday with a Grassy Finish Groundhog Day with The Fog Cutter and Star Wars Day with a Darth J ger You'll be more the merrier you did Difford's Guide was established in 2001 and is now recognized as the world's cocktail expert With an exhaustive cocktails website and the well known Difford's Guide Cocktails Encyclopedia consider it the last call for cocktail lovers everywhere

**The Pot Thief Mysteries Volume Two** J. Michael Orenduff, 2018-03-27 Albuquerque pottery dealer treasure hunter sleuth Hubie Schuze is back digging up trouble in this collection of three books from the smartly funny series Anne Hillerman author of *Spider Woman's Daughter* A dealer in ancient Native American pottery Hubert Schuze has spent years searching the public lands of New Mexico for

artwork that would otherwise remain buried According to the US government he s a thief but Hubie knows the real crime would be to allow age old traditions to die He honors prehistoric craftspeople by resurrecting their handiwork and nothing not even foul play will stop him in these three installments of the Lefty Award winning mystery series The Pot Thief Who Studied Escoffier When a restaurateur asks him to create one hundred dinner plates for his new Austrian eatery in Santa Fe Hubie can t say no to the challenge or the 25 000 he ll be paid But no sooner does he start the project than the fractious kitchen staff starts turning up dead Hubie will have to dish out some serious detective work if he s going to collect his fee save the restaurant and escape Santa Fe alive Funny at a very high intellectual level and deliciously delightful The Baltimore Sun The Pot Thief Who Studied D H Lawrence Eighty years ago D H Lawrence moved to Taos where a neighbor welcomed him with a stew served in a handcrafted pot made by a legendary craftswoman Now the neighbor s great grandson wants Hubie to retrieve it The pot thief agrees but his search of the Lawrence ranch is interrupted by a blizzard that traps him and several other guests indoors It soon becomes apparent that one of them is a killer and Hubie finds himself facing a mystery so shocking it would make Lady Chatterley blush The Pot Thief Who Studied Billy the Kid After lowering himself into a cave in search of Anasazi Indian pottery Hubie uncovers a long dead corpse buried where the ancient tribe would never have left a body As he puzzles over this discovery he hears a chilling sound his truck left behind on the cliff face being driven away After a narrow escape Hubie returns with his best friend Susannah to try to identify the dead man What they find instead is a mystery that takes them back not to the days before Columbus but to the Wild West of Billy the Kid

**The Story of a Cavalry Regiment** Thomas West Smith, 1897 *The Infertility Companion* Sandra L. Glahn, William R. Cutrer, 2010-05-11

Endorsed by the Christian Medical Association A Comprehensive Christian Guide to the Challenges of Infertility Medical Ethical Emotional Marital Spiritual Biblical Infertility changes everything shattering dreams and breaking hearts But hope is available today more than ever The Infertility Companion draws on the Bible and on current medical knowledge including the latest research to shed light on such questions as Can people of faith ethically use high tech infertility treatments How do we make moral biblical decisions about medical treatment third party reproduction stem cell research and embryo adoption Is God punishing me Does God even care Will adoption increase our chances of getting pregnant How can we reduce the stress of infertility on our marriage relationship How can we keep sex from becoming a chore These theologically trained authors have taught at a variety of conferences on infertility pregnancy loss and adoption and they have helped thousands of couples to face the future through their message of encouragement The Infertility Companion includes discussion questions and a workbook suitable for individuals couples or small groups Full of practical tips and true stories this book will guide couples past the ethical pitfalls of assisted reproductive technologies as they travel the difficult road ahead An all encompassing guide for the Christian infertility patient Where other books fall short this companion aids the patient not only with the physical and emotional aspects of this journey but also helps answer the tough spiritual and ethical questions that arise in a
