The Ten Commandments Michael Coogan, 2014-04-28 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men's property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context *The Ten Commandments* Rose Publishing, 2021-10-05 Enjoy having a full color fold out chart that gives an in depth look at the Ten Commandments covering the meaning key principles biblical and modern day examples Jesus teachings and more Each commandment has both the traditional and contemporary wording Includes an explanation of each one and why it is important today Contains modern and biblical examples of each commandment Covers Commandments about our relationship to God Commandments about our relationship to other people Jesus and the Ten Commandments History of the Ten Commandments and why they were revolutionary for their time 14 panels fits inside most Bibles 8 5 x 5 5 inches unfolds to 38 inches long 4 Key Features of the Ten Commandments Pamphlet from Rose Publishing Quick Reference Includes a chart packed with simple summaries and explanations to quickly find information on each commandment key principles Bible

The Ten Commandments and Human Rights Walter J. Harrelson,1997 The Ten Commandments and Human Rights sets out to evaluate the importance of the Ten Commandments for the life of faith today The general thesis is that the commandments are immensely important not only for Jews and Christians but for all persons seeking to find or to reaffirm a moral foundation for their life and for the life of their children their religious community and their society The fact that the commandments are put negatively is immensely important for it means that the community that claims these commandments and builds on them has to work out for itself the positive import of not having other gods not worshipping idols not profaning the sabbath not killing and stealing and committing adultery Put negatively these commitments become the groundwork for a humanly free and responsible search for the will of God for individual family and corporate life today and in any day It is true that the commandments originate in ancient Israel are central to the faith of prophets priests and sages and are claimed and made foundational by Jesus for the Christian community But these commandments also share much with for example the Universal Declaration of Human Rights which has been presented by the United Nations for adoption by all the nations of earth The Ten Commandments and Human Rights seeks to show how to avoid moralistic use of the Ten Commandments in religious life today while still affirming that there are absolutely foundational prohibitions that can and must guide the moral life of all peoples The Ten Commandments need very little revision in order to become such a foundation for a free and responsible life today

were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law Matt 5 18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation How true then was the prophet David when he said I have seen the consummation of all perfection But Your commandment is exceedingly broad Ps 119 96 This series of lectures were given in 1967 and have been published more than once Pope Shenouda III
