The French Executioner: The 20th Anniversary Edition C. C. Humphreys,2022-02-08 If you can find a first impression hoard it and wait till it rises in value like a first edition of Lord of the Rings This is as good Crime Time UK The Tower of London 1536 and the expert swordsman Jean Rombauid is brought from France by Henry VIII to behead his wife Anne Boleyn Yet on the eve of her execution Jean swears a vow to the fabled ill fated queen to bury her six fingered hand symbol of her rumoured witchery at a sacred crossroads But in a Europe ravaged by religious war the hand of this infamous Protestant icon is so powerful a relic that many will kill to have it including Giancarlo Cibo Alchemist and Archbishop of Siena Stealing the hand he leaves Jean for dead Gathering a group of heroic misfits Jean pursues his quest across a continent Through battle and betrayal from clashing blades aboard slave galleys to a black mass in a dungeon from the hallucinations of St Anthony s Fire to the besieged fortress of an apocalyptic Messiah Jean seeks to honor his vow Thrilling funny painfully poignant Independent on Sunday UK

The French Executioner Chris Humphreys,2021-07-22 Irresistible adventure story based on the real life figure of Jean Rombauid who beheaded Anne Boleyn Cornwell is good but Humphreys is better HISTORICAL NOVELS REVIEW It is 1536 and the expert swordsman Jean Rombauid has been brought over from France by Henry VIII to behead his wife Anne Boleyn But on the eve of her execution Rombauid swears a vow to the ill fated queen to bury her six fingered hand symbol of her rumoured witchery at a sacred crossroads Yet in a Europe ravaged by religious war the hand of this infamous Protestant icon is so powerful a relic that many will kill for it From a battle between slave galleys to a black mass in a dungeon through the hallucinations of St Anthony s Fire to the fortress of an apocalyptic Messiah Jean seeks to honour his vow

The Executioner Always Chops Twice Geoffrey Abbott,2004-04-03 A morbidly fascinating mixture of bungled executions strange last requests and classic final one liners from medieval times to the present day Sometimes it s hard to be an executioner trying to keep someone from popping up to make a quip when they should have spectacularly sunk without a trace Or to be told that the condemned to the guillotine won t have a last drink for fear of completely losing his head The business of death can be absurd and nothing illustrates this better than these tales of the gruesome and frankly ridiculous ways in which a number of ill fated unfortunates met or failed to meet their maker Did you know When Sir Thomas More was ordered to position his head on the block he said though you have warrant to cut off my head you have none to cut off my beard When the guillotine took three strokes to sever the neck of Isabeau Herman the mob attempted to stone the executioner to death for cruelty After the English hanged the pirate Captain Kidd they chained his body to a stake on the
