Theorizing Feminisms A Reader:

Theorizing Feminisms: a Reader Elizabeth and Haslanger Hackett (Sally),2013 **Theorizing Feminisms** ,2009

Theorizing Feminisms Elizabeth Hackett,2006 Providing a survey of approaches to theoretical issues raised by the quest for gender justice this text is for use in interdisciplinary feminist theory courses With an aim to provide an overview of feminist responses to including a critique of these questions its organising questions are What is sexist oppression What must be done about it *Feminist Theory Reader* Carole McCann,Seung-kyung Kim,Emek Ergun,2020-09-16 The fifth edition of the Feminist Theory Reader assembles readings that present key aspects of the conversations within intersectional US and transnational feminisms and continues to challenge readers to rethink the ways in which gender and its multiple intersections are configured by complex overlapping and asymmetrical global local configurations of power The feminist theoretical debates in this anthology are anchored by five foundational concepts gender difference women s experiences the personal is political and especially intersectionality which are integral to contemporary feminist critiques The anthology continues to center the voices of transnational feminist scholars with new essays giving it a sharper focus on the materiality of gender injustices racisms ableisms colonialisms and especially global capitalisms Theoretical discussions of translation politics cross border solidarity building ecofeminism reproductive justice MeToo indigenous feminisms and disability studies have been incorporated throughout the volume With the new essays and the addition of a new editor the Feminist Theory Reader has been brought fully up to date and will continue to be a touchstone for women s and gender studies students as well as academics in the field for many years to come *A Companion to Contemporary Political Philosophy* Robert E. Goodin,Philip Pettit,Thomas W. Pogge,2012-03-12 This new edition of *A Companion to Contemporary Political Philosophy* has been extended significantly to include 55 chapters across two volumes written by some of today s most distinguished scholars New contributors include some of today s most distinguished scholars among them Thomas Pogge Charles Beitz and Michael Doyle Provides in depth coverage of contemporary philosophical debate in all major related disciplines such as economics history law political science international relations and sociology Presents analysis of key political ideologies including new chapters on Cosmopolitanism and Fundamentalism Includes detailed discussions of major concepts in political philosophy including virtue power human rights and just war *Contemporary Feminist Research from Theory to Practice* Patricia Leavy,Daniel X. Harris,Anne M. Harris,2018-08-09 Exploring the breadth of contemporary feminist research practices this engaging text immerses the reader in cutting edge theories methods and practical strategies Chapters review theoretical work and describe approaches to conducting quantitative qualitative and community based research with participants doing content or media analysis and evaluating programs or interventions Ethical issues are addressed and innovative uses of digital media highlighted The focus is studying gender inequities as they are experienced by individuals and groups from diverse cultural racial and socioeconomic backgrounds and with diverse gender identities Delving into the process of writing

and publishing feminist research the text covers timely topics such as public scholarship activism and arts based practices The companion website features interviews with prominent feminist researchers Pedagogical Features Case examples of feminist research Running glossary of key terms Boxes highlighting hot topics and key points for practice End of chapter discussion questions and activities End of chapter annotated suggested reading books articles and online resources Sample letters to research participants Appendix of feminist scholars organized by discipline

Feminism, Capitalism, and Critique Banu Bargu, Chiara Bottici, 2017-07-24 This edited collection examines the relationship between three central terms capitalism feminism and critique while critically celebrating the work and life of a thinker who has done the most to address this nexus Nancy Fraser In honor of her seventieth birthday and in the spirit of her work in the tradition of critical theory this collection brings together scholars from different disciplines and theoretical approaches to address this conjunction and evaluate Fraser s lifelong contributions to theorizing it Scholars from philosophy political science sociology gender studies race theory and economics come together to think through the vicissitudes of capitalism and feminism while also responding to different elements of Nancy Fraser s work which weaves together a strong feminist standpoint with a vibrant and complex critique of capitalism Going beyond conventional disciplinary distinctions and narrow debates all the contributors to this project share a commitment to critically understanding the connection between capitalism exploitation and the viable roads for emancipation They recover insights provided by classical traditions of political and social thought but they also open new research directions adapted to the global challenges of our time

The Education Feminism Reader Lynda Stone, Gail Masuchika Boldt, 1994 The Education Feminism Reader is an anthology of the most important and influential essays written in feminist education theory since the late seventies Attentive to the quality and diversity of this growing field the Reader showcases the thinking of traditionally liberal feminists radical postmodern theorists and those feminists with psychological philosophical and political agendas Lynda Stone introduces and frames the volume through a discussion of the historical and historicist location of the project The 22 essays are empirical and non empirical studies emerging from philosophy and psychology of education critical sociology multicultural theory and literary criticism and many authors make theoretical connections to their own lives their own educations and their own teaching Special attention has been given to the organization of the anthology with a view to making it particularly useful as a classroom text in education and women s studies courses One of the most important aspects of The Education Feminism Reader is the inclusion of feminists of color whose voices are intended as a counter balance and critique of a field that has long been exclusively white Committed to a

pluralist vision of feminism the anthology attempts to speak for the present in feminist theory even as it builds from a past and towards a future *Republicanism and Political Theory* Cecile Laborde,John Maynor,2008-01-14 The first book to offer a comprehensive and critical survey of republican political theory The British National Bibliography Arthur James Wells,2006 Challenging Patriarchy Shefali Roy,Matilda Pereira,2017 Papers presented at International Seminar on Challenging Patriarchy a Humanist Perspective held from 26th to 28th October 2016 at Patna India organized jointly by Department of Political Science and History Patna Women s College Patna University **Solidarities Beyond Borders** Pascale Dufour,Dominique Masson,Dominique Caouette,2010-08-01 Scholars of social movements tend to overlook the achievements and political significance of women s movements Through theoretical discussions and empirical examples *Solidarities Beyond Borders* demonstrates the creativity and dynamism of transnational women s movements around the world These timely case studies from North America Latin America and Southeast Asia introduce feminists activists and scholars to the benefits and challenges of building relationships dialogues and perspectives that extend beyond the boundaries of nation states and disciplines The contributors open a dialogue between feminist theorists and scholars of social movements in other disciplines in order to foster mutual recognition of common interests and identities Although feminists and women s groups face challenges as they build solidarities beyond borders this book makes the case that these links can be extended to embrace other progressive movements and their goals *NWSA Journal* ,1998 Feminist Africa ,2006
