*THE LADY'S COMPANION* Gwyn Gulliver, 2011-12-23 G1 G1 was a robot made in human form and given the same intelligence but with a fatal flaw There is a lesson for we humans in this simple tale Be careful for what you wish

Trigger Lady Phyllis Swan, 1979 *Executed Women of 20th and 21st Centuries* L. Kay Gillespie, 2009-06-15 *Executed Women of the 20th and 21st Centuries* provides a look into the lives crimes and executions of women during the 20th and 21st centuries Rather than dealing with these women as numbers and statistics this book presents them as human beings Each of these women had lives histories and families The purpose is not to condone their actions but to suggest that those we executed are in fact humans rather than monsters as they are often portrayed

**The World of Animals** Joseph Krutch, 2017-07-12 Human beings share the earth with many other living creatures and have dealt with them in many different ways Animals have furnished humans with food done their work aroused their curiosity provided them with sport stimulated their sense of beauty and provoked their wonder They have also shared affection when both the human and animal have decided to give it No less varied or avoidable are the attitudes humans have developed toward these creatures This collection of writings selected from a vast literature about animals is also about the people who have been inspired to write on that subject Sometimes consciously and sometimes unconsciously the writer implies an answer to one or more of the questions that any concern with an animal must raise such as What is an animal's place in nature Are they here primarily to serve as a food source Do they possess inherent rights and privileges How are they alike or different from humans The answers to these questions are as varied as the authors Each narrative description or exposition contributes something to an overall picture of human beings relations with and attitudes toward the animal kingdom It is a remarkable conclusion illustrated by Krutch's chronological arrangement within categories that almost every major attitude and activity that has ever existed concerning animals still exists today even though there has been a drift in certain directions Although the editor fairly represents the opposing view his sympathies lie with those for whom the animal world embodies something to be loved and learned from rather than merely to be studied or exploited

Love Is Dark, Vol. 2 Ao Juumonji, 2025-03-11 **TAKING LIVES AND STEALING HEARTS** Sousei wants to get closer to his classmate Kuchina Hitsujimoto She isn't just any ordinary classmate though Kuchina is in the same line of shadowy work as Sousei and their powers miraculously complement each other Yet it's hard to make much headway when Kuchina inexplicably avoids him and Sousei's more or less former girlfriend Asumi Shiramori notices the strange mood around the pair and decides to take action Meanwhile Sousei is focused on his job and trying to increase the number of lives he has But not only does he keep getting drawn into battles to the death it's starting to impact his school life
